Our Euless Junior High Band, who received a Sweepstakes this year in the UIL Concert and Sight Reading State Assessment (all six judges rated them the highest possible), performed LIVE and in person on Monday and Tuesday evenings. This was something many of us felt may not have been possible this year, so it was extra amazing that they were able to show the results of all of their hard work.

# CHOIR COMES TOGETHER TO PERFORM

Photo by Susan Horn

Choir classes came together this week to perform songs and choreography that they have been practicing! The choir students were so excited about getting together to perform and a lot of us at EJH are really excited about the possibility of seeing a recording of it!

# MIDDLE YEARS

## Ask her for advice

“My daughter Jade loves to get creative when she paints her nails. I once asked her to show me how she does fancy designs, and we wound up in a discussion that ended with her giving me a manicure. I realized that letting her be the expert could help us bond. Now, when I notice she has a knack for something, like making smoothies or using new apps, I ask her to teach me. It makes me feel more connected to her and gives us something to talk about.”

Great job to all of the students who received a Cream of the Crop award this year! We appreciate your hard work and character. Thank you to all of the parents and guardians who tuned in to support and cheer on their students.

**2021 VIRTUAL CAREER FAIR  
FOR HEB ISD STUDENTS**

To All HEB ISD Grade 6-12 Parents and Families:

This message includes information about **OPTIONAL** COVID-19 vaccination opportunities for HEB ISD students age 12 or older.

The FDA and CDC have now authorized the COVID-19 vaccine from Pfizer for use with adolescents ages 12 and older. This message includes information about local vaccination opportunities we are currently aware of, through Star Wellness, Texas Health, and Tarrant County Public Health.

All three providers have already provided vaccinations for many of our staff and students. Each vaccine provider's process can vary, but these requirements are generally true for each opportunity:

- Students must be at least 12 years of age to receive this vaccination and cannot have had another vaccination in the past 14 days (flu, tetanus, etc.). Some providers may have additional restrictions.
- A parent or guardian must attend each vaccination with their student. Some vaccination providers may require the student's birth certificate or other documentation -- please check with the provider for questions about document requirements.
- If the student has health insurance, he or she should bring his or her health insurance card. (If the student is not insured, the vaccination will still be free of charge.)
- In most cases, you will receive your second dose of the vaccine through the same provider as your first dose.

### **Star Wellness - COVID-19 Vaccine Opportunity**

Parents or guardians may contact Star Wellness directly to arrange a vaccination opportunity for students age 12 or older.

Parent must be present. Vaccine recipients cannot be pregnant or have had any other vaccine in the past 14 days (flu, tetanus, etc.). Anyone interested needs to call Star Wellness to get on the list for the day that works best for them. They need to bring an ID and insurance card if they have insurance. COVID shots are free for everyone, even those without insurance. Please call Star Wellness at 817-571-6425 for more information.

- Location: 451 Westpark Way, Ste 1, Euless, Texas 76040

# READING IN THE SUMMER

The Euless Public Library is not only hosting some great events this summer, they are a great place for you and your teen to visit to check out reading materials, board games, hot spots, and so much more.

[Click here to register for a Euless Public Library card if you or your teen don't already have one](#)

Please note that students under 16 will need a parent or guardian to assist them in signing up for a library card. This is something I have been recommending to the students who enjoy reading and checking out books from our Euless Junior High Library. Just because we aren't open during the summer, I do not want them to stop reading! They have access to so many amazing materials, resources, and programs through Euless Public Library, which is only 2 minutes away from Euless Junior High by car, 10 minutes away by foot, and 3 minutes away by bicycle.

Also, encourage your students to challenge themselves this summer and earn prizes while doing so by signing up for the Summer Reading Program and logging the minutes they read. There are prizes available throughout and then at the end of the summer, there are some really cool grand prizes being awarded! Click the flyer below to sign up.

The flyer features a vibrant blue background with a red banner at the top that reads "2021 SUMMER READING PROGRAM". Below the banner, the text "CHOOSE YOUR SUMMER SUPERHERO" is written in large, yellow, stylized letters. In the center, there is a white box with the "HEB Reads!" logo, which depicts three stylized figures in green, blue, and red holding hands above an open book. To the left of the main text, there are three book covers: "Fly Guy" by Taro Gombi, "Flora & Ulysses" by Kate DiCamillo, and "Emika Chen... Bounty Hunter Hacker Hero!" by Emika Chen. The central white box contains the registration information: "Register online at [www.hebreads.org](http://www.hebreads.org) – click on r<sup>2</sup> logo" and "Read and record from May 1 – July 31". Below this, three challenges are listed: "Challenge #1 – Read 2,000 minutes" with a list of prizes (500 minutes = prize from home library, 1000 = FREE book, 1500 = coupon for FREE shirt or tote, 2000 = Reads! medal); "Challenge #2 – Reading Challenge Card" with a prize of a digital badge for each challenge and a blackout badge for the whole card; and "Challenge #3 – Choose your Summer Superhero Mission" with a prize of a missions badge for completing one mission and three of five activities. At the bottom of the white box, a note states: "\*Blackout and Missions badges will be entered into an end-of-summer drawing for great prizes!\*". The website "WWW.HEBREADS.ORG" is printed in large, yellow, stylized letters at the bottom of the flyer.

Hello Future Trinity High School Parents and Students!

My name is Coach Gillum and I'd like to personally invite in-coming 9th and 10th graders to consider joining the Trinity High School Cross Country Team! Yes, 9th graders can be part of a Trinity High School team! An affordable distance running sport, Cross Country is easy to join! When you sign up, you will automatically become a member of the team, even if you have never done it before! Our practices are in the mornings before school at 6:45AM so we do not interfere with most other activities and classes on campus. In fact, you don't even have to be in the "Cross Country Class" period because of the before school practices. This allows you more opportunities to take classes that you need while still participating in an extracurricular activity! Make sure to read the 9th grade participation information that is linked at the bottom of this page.

Cross Country is both a team and individual sport. Practices and the meets are outside! This is a nice way to participate safely in a school activity. One of the best reasons to join Cross Country is that you get to be part of the well-respected Trinity Athletic Program!

Finally, Cross Country is a no-cut sport, meaning there are no "try-outs." If you are academically eligible, you are on the team! The only requirements for students are to be at all Trinity team practices, go to meets, and to maintain eligibility. You will have to complete some required participation forms and have a current physical on file at the school, but that's it!

Use this sign-up link to join today!
