*The latest news and updates from Euless Junior High*

## THANK YOU FOR SUPPORTING OUR TEACHERS

Thank you to the Airport Freeway Church of Christ for supporting our teachers. This church is right next door to us and they are so good to us. They left school supplies in the library for our teachers to have in their classrooms, including tissues, hand sanitizer, dry erase markers, sticky notes, and more. This brought a lot of our teachers here at Euless Junior High a lot of joy. We are grateful for the support in supporting our students in their learning and growth, along with their comfort and well-being at school. We appreciate you, Airport Freeway Church of Christ!

# AMAZING JOB, XANDER!

EJH Student Xander R. received a positive referral today to the Principal's office. He was in a difficult situation with a peer and was able to resolve it. It was amazing for those involved to witness. Great job, Xander!

We love to send students to the Principal's office for positive referrals. Stay tuned for more this school year!

## Lady Stallion – 6Stones Canned Food Drive

Dear Parents,

We are asking for your support and help with our Black & Blue 6Stones canned food drive. All canned food is welcome.

The goal of the canned food drive is to not only provide food for families in need but also be able to donate the most canned food to 6 stones in order to receive a prize for our campus. A great way for us as a school campus & community to encourage our children to do something good for others even in the midst of all the negativity we are facing in the world or in our personal lives.

The event will run from Monday, August 16th – Friday, September 23rd. Last year we were able to collect over 2,000 cans and received 50\$ in monetary donation! Let us collect more this year!

Monetary Donations: Families can support EJH by donating to 6 Stones online at [6stones.org/give](https://6stones.org/give). Every dollar donated = 2 items and we will add that to your total.

- To give, go to [6stones.org/give](https://6stones.org/give), enter your information, select Black and Blue Food Drive from the drop down menu, and include school name (Eules Junior High) in the comments section so that we can receive credit.

Where can the parent or student deliver canned food?

- Front office
- Girls Athletic Office
- Bring it to their first period class teacher
- Any Girls Athletic Coach

Not sure, what type of items to collect? Check out some ideas below!

Hello Future Trinity High School Parents and Students!

My name is Coach Gillum and I'd like to personally invite all 9th graders to consider joining the Trinity High School Cross Country Team! Yes, 9th graders can be part of a Trinity High School team! An affordable distance running sport, Cross Country is easy to join! When you sign up, you will automatically become a member of the team, even if you have never done it before! Our practices are in the mornings before school at 6:45AM so we do not interfere with most other activities and classes on campus. In fact, you don't even have to be in the "Cross Country Class" period because of the before school practices. This allows you more opportunities to take classes that you need while still participating in an extracurricular activity! Make sure to read the 9th grade participation information.

Cross Country is both a team and individual sport. Practices and the meets are outside! This is a nice way to participate safely in a school activity. One of the best reasons to join Cross Country is that you get to be part of the well-respected Trinity Athletic Program!

Finally, Cross Country is a no-cut sport, meaning there are no "try-outs." If you are academically eligible, you are on the team! The only requirements for students are to be at all Trinity team practices, go to meets, and to maintain eligibility. You will have to complete some required participation forms and have a current physical on file at the school, but that's it!

Use this sign-up link to join today!
