POSITIVE REFERRALS

These three young women were given positive referrals by teachers to the office. Our Principal Ms. Stanton spoke with them and commended them on their outstanding behavior. Allison B., a 9th grader, was referred for comforting another student that was inconsolable and in need of support. Kennedy J., 8th grader, was referred for being helpful in her English class to classmates who don't understand the lesson and assisting others without disrupting class. Haylee V., 7th grader, has shown exceptional resilience this year. Great job, young ladies! Way to be an example.
