

THE STALLION STAMPEDE

The latest news and updates from Euless Junior High

WELCOME BACK, STALLIONS!

We are glad to be back and have everyone back for the second half of this school year.

HEB ISD has updated the Return to Learn Plan on January 5, 2022 so please read that if you have not already. We are all doing our best to keep ourselves and others healthy.

Our new nurse Mrs. Holland will often be sharing in this newsletter about topic that focus on the health and wellbeing of our students and Stallion community.

EDITION 1

Greetings,

I want to take a moment to introduce myself. I'm Nurse Holland and I am extremely happy to be joining the family at Eules Jr. High. I have been here as of December 1, 2021 and have spent the past month learning the clinic processes and the students I will be serving. My role is first of all to ensure our students stay in class, while being mindful of everyone's health. Secondly, I plan to continuously educate the students on their health as I come in contact with them and by posted information. It is said..."Children must be educated to be healthy and healthy to be educated."

There is a small bulletin board outside the clinic called "Holland's Health Hub" that will highlight monthly topics. We have focused on HYDRATION the month of December. I want to encourage you to ensure your Students make it to school with a water bottle daily. I unfortunately do not have water bottles or cups to hand out. This continues to be a concern as students present to the clinic complaining of a headache, which in most cases is related to dehydration. I ask about water intake and the usual answer is "I drink before I come to school and then when I get home" Please help me help the students keep hydrated daily.

Once again I look forward to serving the Staff and Students at Eules Jr. High. Please feel free to contact me with any questions and or concerns:

Wanted: Teen Court Volunteers

The H.E.B. Teen Court is looking for adult and teen volunteers. Volunteering for Teen Court is a great way to serve your community. The minimum age for teen volunteers is 13. Teens and adults work together to provide defendants the opportunity to take responsibility for their actions, while learning about the justice system. Teen volunteers learn public speaking skills, interviewing techniques and administrative skills. Local attorneys and the Teen Court Coordinator combine their time and talents to provide all teen volunteers with thorough training. Teen Court is a peer program that allows juvenile first offenders with Class C misdemeanors an alternative in the criminal justice system. Teen volunteers serve as the attorneys, bailiffs and clerks, while adult volunteers assist during court sessions as jury monitors and judges. You are welcome to visit any Teen Court session to observe and find out more about our program. If interested, call the Teen Court office at 817-952-2468.
