

THE STALLION STAMPEDE

The latest news and updates from Euless Junior High

THANK YOU FOR YOUR SUPPORT

Today was the final day for the **6 Stones Black and Blue Showdown!** The 7th grade PE girls helped Ms. Stanton and Coach Lancaster unload a huge haul this morning. It is awesome for our students to be involved in making such a huge positive impact in our community. We thank you all for helping to donate money and cans and for spreading the word about this wonderful annual friendly competition to fill our local food pantries,

GLOBAL YOUNG LEADERS CONVERGE

On Saturday 9/24, EJH Junior World Affairs leadership 2022-23 (President Arush P. and Vice Presidents Melanie R. and JJ K.) met with other JWAC teams at the Pat May Center in HEB for JWAC orientation to discuss what the program has to offer. They learned about speakers, volunteer opportunities, monthly discussions, social events and Worldquest!

TEACHER OF THE MONTH VOTING

This year in addition to recognizing a Student of the Month from each grade, we are also recognizing a Teacher of the Month. Mr. Schneider was voted Teacher of the Month in August and it's time for students to vote on the Teacher of the Month for September. Voting will end on Monday morning at 8 am. Click on or scan the QR below for your student to enter their vote if they have not already done so.

GREAT JOB, STALLIONS!!!

At Central on Monday, our 7th grade American 1 team won 27-0!

CURRENT AFFAIRS IN SILVA'S CLASS

Computer science students learning about closing a circuit with electricity. When the circuit closed (students held hands or fist bumped), the Snap circuit created sound and lit up.

WAYS TO SUPPORT EJH STUDENTS

PERFORMING ARTS FUNDRAISERS:

You can donate here with a specific student in mind or just in general:

VIDEO GAME CLUB SEEKING DONATIONS:

There has been an overwhelming number of students who signed up for Video Game Club sponsored by Mr. Richey and it is currently totally full. They meet Wednesdays after school and could really use some donations. If you have or know anyone who has any consoles, games, controllers, gaming laptops, batteries, tv/computer monitors, etc. that are no longer being used, please consider donating to him. One of the most important items they can use are generic USB controllers because they can be used on virtually any gaming console or laptop. The wireless controllers he has are constantly running out of batteries and he doesn't have a ton of spare batteries (wired controllers would eliminate this issue entirely). He will accept pretty much anything as long as it is not a first person shooter or MA game. You can bring your donations to the front desk. Thank you!!

988

The 988 Lifeline:

988 is now active across the United States. This new, shorter phone number will make it easier for people to remember and access mental health crisis services. (Please note, the previous 1-800-273-TALK (8255) number will continue to function indefinitely.)
