

# THE STALLION STAMPEDE

*The latest news and updates from Euless Junior High*

## **STALLIONS RETURN TO INSPIRE**

EJH Stallion Alumni Ollie Gordon and Jayveus Lyons, who now play college ball, came back to Euless Junior High to teach our boys about what it takes. Thank you so much for coming!

# GYMNASTICS MEET

EJH Gymnasts had a meet this Tuesday. Congratulations to Kameron G. who got 1st on Floor, 2nd on Vault, and 2nd All Around. Milan J. got 4th All Around. Great job, Stallions!

# FRESHMEN GIRLS BASKETBALL GAME

The Freshman girls basketball team has shown great improvement on offense and has been dominant on the defensive end, limiting points by opponents to keep us in the game.

# 2023-2024 TRANSFER AND SCHOOL OF CHOICE APPLICATION

The 2023-2024 transfer window opened January 5, 2023 and will close on March 10, 2023.

If you are zoned to attend Eules Junior High, you do not need to submit a transfer application. Transfer applications will only be accepted for students applying for the School of Choice Programs or a General Transfer from another campus.

For more information, visit the [Secondary Transfer & Schools of Choice Frequently Asked Questions](#)

Online application links were posted the morning of January 5 on the [HEB ISD Transfer & School of Choice Application page](#).

# WE HAVE A LOT TO BE GRATEFUL FOR

This week we have received several donations and are so thankful for the support.

Thank you to Delgado Orthodontics for donating items that our school is in need of. They know how to deliver smiles in more than one way.

Coming back from Winter Break, our nurse made sure that all of our teachers and staff are aware and trained by Baylor Scott & White Health in Stop The Bleed so we know how to respond to save lives in an emergency situation. She wants to make sure that we have the tools to implement what we know in case we ever need to.

Even a superhero like Hawkeye (Jeremy Renner) had his life saved at the beginning of this year in his accident after suffering serious blood loss because his neighbor applied a tourniquet. We've had about half of the tourniquets that we need donated already and these gloves provided by Delgado Orthodontics are going to be great to go in these Stop The Bleed kits.

Our school nurse is still in need of 4x4 bandages and 32 tourniquets if you or someone you know is interested in donating. Please email [marilynnbiggers@hebisd.edu](mailto:marilynnbiggers@hebisd.edu) to arrange the details. Thank you!

We are so grateful for DFW New Beginnings for their support of Euless Junior High.

Pastor Bruno brought Gatorade and snacks for our Liga HEB soccer players to have before their game this week and a pair of cleats for a boy in need of a pair. Y'all are amazing!

If you want to come out and support the Liga HEB boys next week, check out their game schedule here on the 6 Stones website: <https://www.6stones.org/soccer>

*you are  
wonderful*

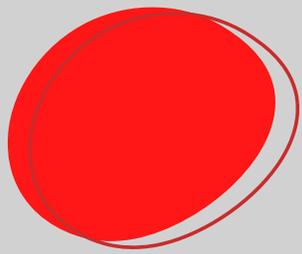

Thank you to Smoothie King off Airport Fwy in Bedford for the generous donation to the Gift Card Drive we are hosting this month!

Our Principal has challenged our teachers & staff in January with daily objectives to start out the new year strong and keep the self-care momentum going.

We appreciate you supporting us, Smoothie King!

THANK YOU  
FOR EVERYTHING!

# Gift Card

# Drive

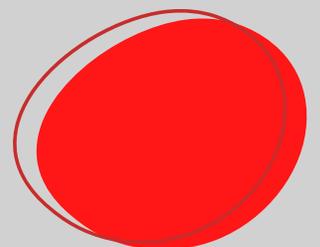

We are reaching out to our EJH Adopters and community for support by asking for donations of gift cards to support our January teacher and staff self-care, gratitude, and reflection challenge.

Each day of January, we have been challenged to work a little harder to take better care of ourselves. For us to effectively take care of others, we must first take care of ourselves.

If we have any extras from this drive, they will not go to waste! We need incentives all the time for teachers and also have Teacher Appreciation Week coming up in May.

Please bring donations to our front office by January 31, 2023

Ideas for gift cards: anything wellness related... Barnes and Noble, massage, food, Starbucks, etc!

10

## REASONS TO BE IN SCHOOL EVERY DAY

### 1. Better grades.

The better your attendance, the higher your grades.

**2. Less stress.** When you miss school, you have lots of assignments to make up. That's stressful.

**3. You learn more.** Learning a little every day in class is much better than having to learn everything you missed on your own.

**4. More likely to graduate.** Students who have poor attendance are less likely to graduate.

**5. Time with friends.** When you are at school, you can spend time with friends (and make new ones).

**6. Good habits.** You'll develop good habits for success—like showing up every day and being on time.

VIDEO

For more on the importance of attendance, watch this video!

**7. Mentors.** Your school is full of people who can offer you advice and guidance, like teachers and counselors. If you aren't at school, you won't get the chance to develop those relationships—which means that you totally miss out.

### 8. Preparation for your future.

The knowledge you gain and the skills you develop in school will help you be successful throughout your life.

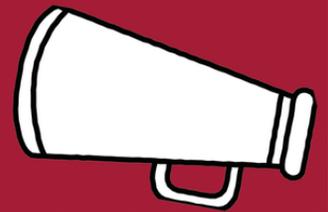

**9. Personal development.** The more you're in school, the more you learn. And the more you learn, the more intelligent, capable, and interesting you become.

**10. Pride.** When you're succeeding in your classes, your parents and teachers are proud of you. But most importantly, you feel proud of yourself—and that's a great feeling!
