# LIGA CHAMPIONS CUP

Great job to our Liga boys at the Champions Cup on Wednesday! Real Eules received the Top of the Table award this year for being the most consistently good school. Great job to 8th grader Jayden B. for receiving the Golden Ball award! We are so proud of y'all. Thank you to 6 Stones, DFW New Beginnings, coaches Mr. DeLima & Mr. Reyes, and so many more for supporting these boys in having an awesome season!

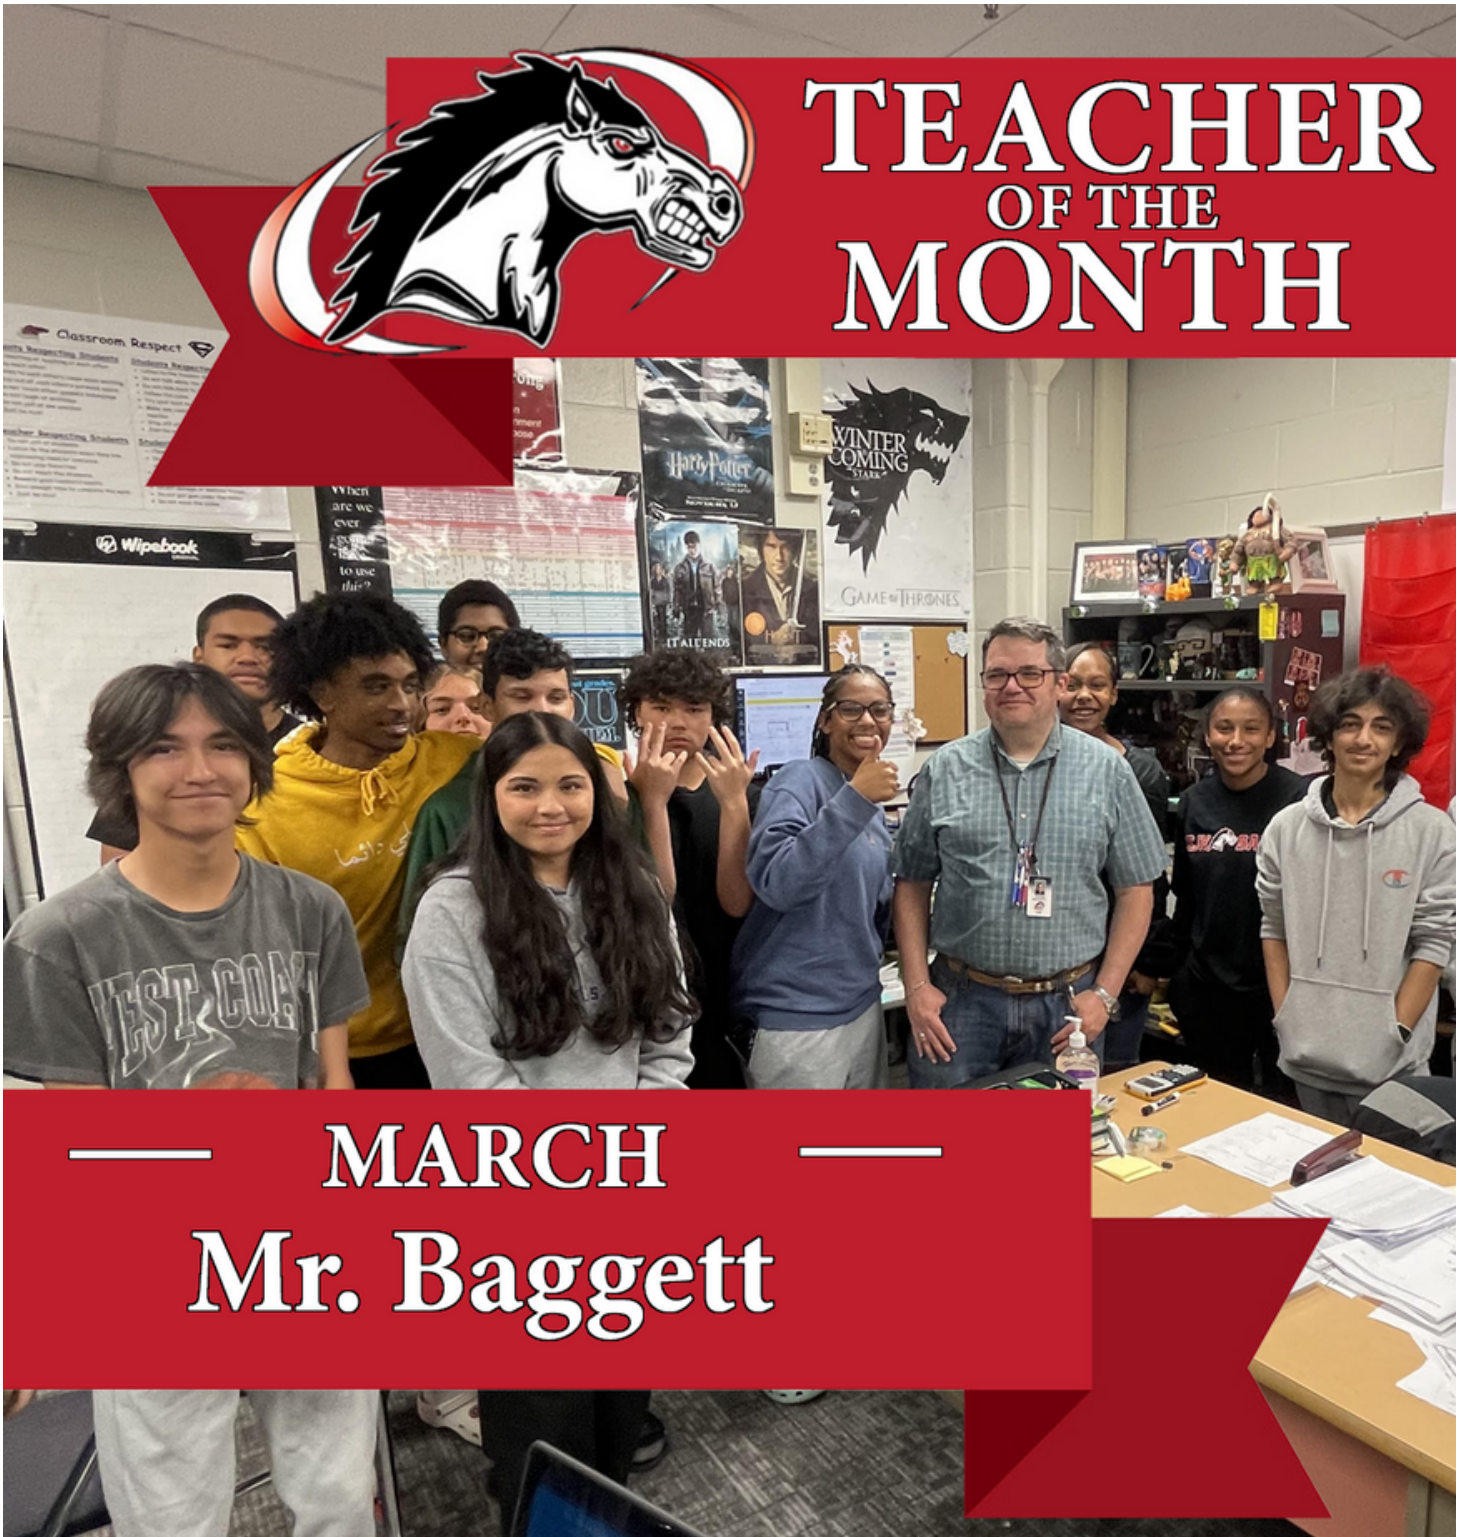

# MARCH STUDENTS OF THE MONTH

Congratulations to our March Students of the Month! Great job to Luz V. (7th grade), Clarissa M. (8th grade), and Shakar B. (9th grade). These students were voted on by teachers for their character, respectfulness, hard work, and being all around awesome kids. Thank you for providing us with an amazing example of what it means to be FabEuleless.

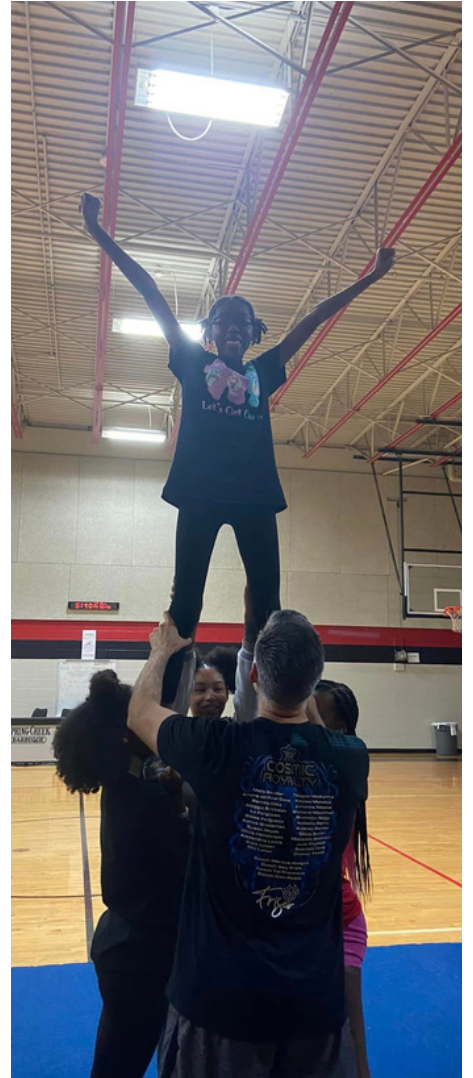

Mr. Baggett was awarded Teacher of the Month for March when students were asked "Which teacher finds the most potential in students?"

# CHEERLEADERS LEARN STUNTS

Eules Junior High Cheerleading got to practice stunts for the first time last Friday. We are so proud of these girls!

# DELL TECH CREW

Dell Tech Crew is a Dell sponsored, funded, and equipped program that gives students hands on experience and learning to help their peers and school staff members with technology issues. Mark Furlow, HEB ISD Instructional Technology Coach, and Ryan Galloway, Eules Junior High Campus Technology Assistant, have been getting this program started in HEB ISD. This program empowers high schoolers to earn a Dell TechDirect certification. before graduation. Students are learning how to do hardware diagnostics and repair on Dell products and they are getting hands-on learning experience repairing their peers' devices. Students wanting to join TechCrew were selected based on several factors like attendance, discipline records, grades, and feedback from technology teachers. Currently, the after-school club has 53 participants at Trinity High School and Eules Junior High. We are excited to see where this knowledge takes them!

# SCHOOL LIBRARIAN APPRECIATION DAY

School Librarian Appreciation Day was this Tuesday, April 4th. We are so grateful to have Ms. Gilbert as our Librarian at Eules Junior High.

She creates fun and engaging activities to assist students in their learning and in sparking their curiosity. She travels to classrooms and has classes come visit her in the library. She keeps the EJH Library stocked with awesome materials and resources for our students. She even got award-winning author Neal Shusterman to come to our school this year & inspire our campus.

Ms. Gilbert fulfills many roles here, in HEB ISD, and in our community. We can't thank her enough for all she has done to support the academic success of our students.

# NATIONAL ASSISTANT PRINCIPAL WEEK

Happy National Assistant Principal Week to 3 GOATs (Greatest of All Time) - Mrs. Jennings, Mr. Cervini, and Mr. Griffin! We are so grateful for everything they do here to keep EJH running smoothly!

A huge shout out to Texas Roadhouse for helping us celebrate and appreciate them!

# PARAPROFESSIONAL APPRECIATION DAY

# HDP CONSTRUCTION GIVES BIG

**Author Correction:** We would like to take a moment to clarify a misunderstanding. Last week Ms. Biggers incorrectly published that HDP's donation to a school was in place of a customer receiving a discount. It actually came as a matching fund directly from HDP in honor of their customer. As a part of their Fall promotion, the customer received a discount on their project **and** HDP matched the amount of their discount with a donation from their company. The customer got to direct where their donation was made. I apologize for the error!

Thank you to **HDP Construction - Remodel.Design.Repair** for their support of our school!

They ran a special in the Fall where customers received a discount on remodeling, design, and repair services & they matched the discount amount to a school of the customer's choice. One of their clients chose Eules Junior High and another chose Bedford Heights!

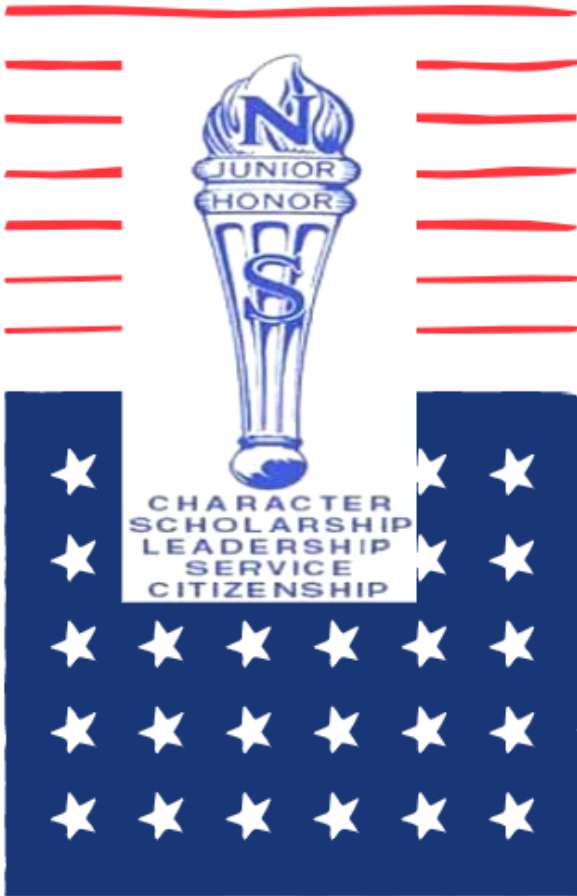

These monetary donations have enabled both of our schools to fund some amazing and much necessary improvements. We are so grateful!
