FRED DEE PENNINGTON

HEAD FOOTBALL COACH AT LD BELL FROM 1959 TO 1962

#HEBISDARCHIVE

Pennington Field was named to honor the legacy of former LD Bell Head Football Coach, Fred Dee Pennington. Coach Pennington started his coaching career in HEB ISD in 1959. The team had just come off of an abysmal year, closing out the '58 season with a record of 2-8. Fred and his team made the necessary adjustments, and within one year, ended their season with a winning record of 8-2. The momentum for the team continued through the next several years, and in the following three seasons, the team compiled an impressive record of 21 victories and only 9 losses.

Tragically, in 1962, Coach Pennington was killed in an accident at his home in Euless. According to an article from the Ft. Worth Star-Telegram, Pennington was conducting a night-time swimming class for local teenagers. When the lesson was finished, Fred climbed from the pool and grabbed a metal light stand that the group had been using to illuminate the pool area. Sadly, an electrical short in the light stand shocked Pennington and killed him instantly.

In the '60s, Bell High School was located on the corner of Raider Way and Pipeline. After Fred's untimely death, the football field behind the school was renamed Fred Pennington Field. In 1983, just off of Highway 183 and Central Drive, a new multi-purpose facility was built, and this time, its name was shortened to Pennington Field.
