National Read Across America Day

It's a day to celebrate the privilege of being able to read, so head to the library, or curl up on the couch and just be a bookworm!

Every year, the month of March is National Reading Month.

The start of this is initiated with 'Read Across America Day' on March 2, which is also the birthday of one of the most beloved children's book authors of all time – Dr. Seuss. Reading stories and antics about his wonderful characters is a rite of passage, and the perfect way to get children interested in reading books.

Parents, teachers, students, and members of society all come together to celebrate the joys of reading and to encourage it to become a habit for children.
