2021 -2022 Budget Challenges

- Declining Enrollment
- Balance Budget
- 2% or 3% pay increase
- Tax Compression

What is a compressed tax rate?

If a district happens to exceed its entitlement with the local money levied by its dollar **tax rate**, the state can “recapture” those extra funds. ... It uses calculations based on a district's “**compressed tax rate**,” which the Legislature created in 2006 when it reduced maintenance and operation property **taxes** by a third.

Legal Requirements

*The district budget must be prepared by a date set by the State Board of Education,

*Funds must be expended in the manner provided for in the adopted budget. The Board of Trustees has the authority to amend the budget.

*Budgets for the General Fund (199), the Food Service Fund (101) and the Debt Service Fund (599) must be included in the official district budget

The budget must be prepared in accordance with Generally Accepted Accounting Principals (GAAP) and State guidelines.

Budget Changes

Budget	Budget Change - Transferring funds between the same function and does not require board approval
Budget	Budget Amendments – Transferring funds between different functions and requires board approval.
Budget	Budget changes that reduce functions 11-Instruction, 12-Library, 13-Curriculum/Staff Development and 31-Guidance/Counseling will not be allowed
