To Hurst Students and Parents:

This handbook contains information that you are likely to need during the school year. The handbook is organized alphabetically by topic. Students and parents also need to be familiar with the HEB ISD Student Code of Conduct, which sets out the consequences for inappropriate behavior. The Student Code of Conduct is required by state law and is intended to promote school safety and an atmosphere for learning.

It is a separate document that is available to parents online. The Student/Parent Handbook is designed to be in harmony with Board policy and the Student Code of Conduct adopted by the Board. Please be aware that this document is updated annually, while policy adoption and revision is an on-going process. Therefore, any changes in policy that affect student handbook provisions will be made available to students and parents online.

VALUES

The values we expect from Red Raiders:

1. Commit to learning.
2. Do what's right.
3. Respect others.

AFTER SCHOOL PROCEDURES

Our after school expectations for students are based upon safety and available supervision of students outside the building at the end of our school day. Students need to be picked up promptly at the end of the school day at 3:35. Students will be required to stand at designated areas to wait for their rides.

Students not involved in after school programs

- 1) School staff will supervise students from 3:35 – 3:45 in front of the school waiting for parents to arrive for pick up and out back waiting for buses to pick up.
- 2) Parents should pick up students by 3:35 or have a back-up plan for emergencies so that students, not involved in after school programs, will leave the campus by 3:45.
- 3) Students walking home will be expected to leave the campus grounds immediately not return to school unless accompanied by a parent or to attend a scheduled evening event.

Students involved in athletic or fine arts practices/events

- 1) All students involved in extracurricular programs should be with a teacher, coach, director, or someone from the school staff. They should remain in the school building without ever needing to exit or re-enter the building, as the doors are locked.
- 2) All programs will communicate with parents with information about practice times, dates, and dismissal procedures, including designating a pick-up location for students exiting their programs. You will know exactly where the release and pickup spot will be for your student to avoid any confusion.
- 3) Students exiting from an athletics or fine arts practice will be supervised after the end of the practice. Students will stand at designated areas and wait for their ride. Parents should pick up students within this time frame and have a backup plan in place for emergencies. Students who are walking home will exit the campus grounds immediately after dismissed.

Students remaining after school for tutorials or scheduled club meetings

1) Tutoring and club meetings will begin promptly at 3:40. Students are expected to exit the building promptly at the end of tutoring/meetings. Students make a plan with parents to get picked up when tutoring/meeting is over and will wait in front of the school for their ride.

2) Students walking will leave the campus grounds immediately. Students can be picked up at the front of the school building.

ATTENDANCE- Contact: Ronda McGrew x3067

90% Attendance Rule

A student between the ages of 6 and 18 **must** attend school unless the student is otherwise legally exempted or excused. School employees must investigate and report violations of the state compulsory attendance law. A student absent from school without permission, from any class, is subject to disciplinary action. There are 7 different times during the school day when a student can be counted absent.

To receive credit in a class, a student must attend at least 90% of the days the class is offered. An absence is missing 1 or more class periods in a day. For absences 1 through 8 each semester, parents should call or write a note explaining the reason for the absence. For the 9th and consecutive absences students will be assigned Saturday School to make up time lost and may be required to provide a doctor's note for all subsequent absences. For questions regarding Saturday School assignments, you may contact your student's designated Assistant Principal.

Saturday School will be held on designated Saturdays. The requirement is that for every day over 8 absences, a student must attend Saturday School.

Truancies

Missing any class without permission from a parent or school personnel is truancy. Any time a student is absent without the school hearing from a parent, the student is considered truant.

Absences

When a student is not in school, s/he is absent. When a parent takes a student out for part of the day, the student is absent for the classes s/he has missed. Parents must sign out a student at the front office when taking a student out of school during the day. Only parents or legal guardians with a picture ID will be allowed to sign out a student from school unless approved by an administrator. Any time a student is absent, parents are obligated to contact Ms. McGrew x3067. A parent note is sufficient for this requirement.

According to state law and district policy, absences may be **excused** only for the following reasons:

1. Personal illness or serious illness of a family member.
2. Funeral
3. Student's health related services
4. Participation in court proceedings
5. Family emergency requiring immediate attention- approved by Administration
6. An absence required by welfare authorities
7. Making application for U.S. Citizenship and U.S. Nationalization Oath Ceremony

When a student must be absent from school, the parent must notify the school within 3 days.

Absences may be reported by calling Ms. McGrew at 817-399-3067. Report the student's name

reason for absence, and duration of the absence. Notification can also be made by the student bringing a parent note to the attendance office upon return to school.

BUSES- Contact: Assistant Principals

Transportation is provided to students who live outside of a 2-mile radius from the school. Bus route and bus stop information is available online at the HEB ISD transportation webpage. Students are expected to follow the same rules as the classroom when riding school buses. In addition, students are held to the following behavioral standards – students must:

- Follow the driver’s directions at all times
- Enter and leave the bus in an orderly manner
- Keep feet, books, instrument cases and other items out of the aisle

CAFETERIA SERVICES- Contact: Suzette Marion x3085

The District participates in the National School Lunch Program and offers students nutritionally balanced meals daily. Free and reduced-price meals are available based on financial need. Information about a student’s participation is confidential. Applications for free and reduced lunch are available online at the HEB ISD child nutrition webpage. See the front office to apply. Students and/or parents may put money into a student’s lunch account at any time. However, it is the student’s responsibility to keep up with how much is spent. Hurst Junior High is a **closed** campus and students may **not** leave for lunch.

CELL PHONES and ELECTRONIC DEVICES- Contact: Assistant Principals

The HEB ISD recognizes the need for some students to carry cell phones to be used before and after school for safety reasons. However, the following guidelines must be followed:

2. must be turned completely OFF
3. must be put away
4. Students will be subject to a discipline referral if they are using their cell phone when not permitted.
5. There are items that students are not allowed to use during the school day. Some of these items include **gaming devices, portable speakers. Students are allowed to bring their own tablet for academic purposes in place of using a district issued device.**

COMMUNICABLE DISEASES / CONDITIONS

To protect children from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. Parents of a student with a communicable or contagious disease should phone the **school nurse (Nurse Mendoza x3073)** so that other students who **may** have been exposed to the disease can be alerted. Further information may be found at policy FFAD in the District’s policy manual.

CIS professionals work closely with students who meet specific criteria to help them overcome obstacles and improve academic performance. CIS, acting at the request and on behalf of the campus and/or district, may receive student information from the school to help with planning each child's unique services.

- A student with disabilities who fails to meet the standards in the individual education plan (IEP) may not participate for at least three school weeks.
- An ineligible student may practice or rehearse.
- The student regains eligibility when the principal and teachers determine that he or she has: (1) earned a passing grade (70 or above) in all academic classes, other than those that are advanced, and (2) completed the three weeks of ineligibility.
- Students may not participate in any extracurricular activities while they are assigned to ISS, AEP, or suspended from school.
- A student who lives in another HEB school zone and transfers to Hurst Junior High may not participate in UIL competitions of any kind for one calendar year.

FINAL EXAM EXEMPTIONS- Contact: Counselors or Assistant Principals

Students earn exam exemptions based on the following criteria:

Attendance Requirements

- 0-2 Absences = 2 Exemptions, 3-4 Absences = 1 Exemption
- 5 or more absences = No Exemptions
- An absence is defined as being in class for less than 26 minutes at the junior high level.
- Any absence of one period or more will constitute an absence for the day and will count against the exemption policy.
- Tardies will be counted toward exemptions. Four tardies will count as one absence.
- Participation in a school-sponsored activity, observance of a religious holy day, and funerals are the only absences that do not count against a student's exemption with proper documentation. No other exceptions will be made to this Exemption Policy.

Discipline Requirements

- Students will lose their exam exemptions if the student:
 - Receives a disciplinary assignment to off-campus suspension (OSS) or alternate education program(s) [SOS and/or JJAEP]

Grade Requirements

- Students must have a grade of 80 or above for the class in order to use the exemption.
- ★ Exemptions cannot be used for projects that are cumulative for one week or more.
- ★ Junior High students must be enrolled for a minimum of 15 weeks of the semester to be eligible for an exam exemption.
- ★ Exemption passes must be used in the qualifying semester only and may not be held from one semester to the next. Must be presented at the time of the test.
- ★ Junior High students taking trimester courses will adhere to the High School Exam Exemption Guidelines for that course.
- ★ 9th-grade students who have met the College and/or Career Readiness (CCR) criteria set forth by TEA prior to the date the exam is given will receive an additional exam exemption each semester/trimester after the criteria have been met.

Preliminary lists of students who qualify for an exemption will be posted prior to the administration of final exams. Students must check these lists and submit a written request regarding an error to the attendance secretary prior to the posted deadline. **Any student not submitting a request, in writing, prior to the posted deadline will not have a correction considered.** Students are encouraged to check the list even if they are certain that everything is correct. With over 1000 students, mistakes are going to be made. We certainly want every student to receive the benefits they have earned. We will happily correct any mistakes, provided the deadline for submission is met.

Students who are entitled to an exemption will have an “exemption ticket” printed for them. They will be issued this ticket at a designated time prior to the first exam. Students must report to the assigned final exam and present the exemption ticket to be excused from taking that test. A student may choose to take this exam and apply the grade to his/her semester average only if it improves the grade. **Students must attend the assigned exam period, even if they are exempt.** A lost ticket results in a lost exemption (no replacements). Exemptions may not be “carried over” from one semester to the next. Exemptions can only be used on the scheduled day of the exam. Students must be enrolled a minimum of fifteen weeks of the semester to be eligible for semester exam exemption tickets. Students may only use an exemption if s/he is passing the class for the semester.

GRADING GUIDELINES

Semester grades

The semester average will be calculated as follows:

The average grade for each six-week grading period in a semester shall be written down two times, and the semester exam grade shall be written down once for a total of seven grades. All figures are to be added and divided by seven for the final average. All averages with a decimal equal to .5 or greater shall be rounded up to the next whole number.

In order to be promoted to the next grade, 7th and 8th graders must:

1. Obtain an overall average of 70 in all subject areas for the year
2. Obtain a 70 average or above in mathematics and in English for the year
3. Obtain a 70 average or above in science or social studies for the year
4. Be in attendance 90% of the school days
5. For 8th grade students – Obtain a passing score on both STAAR math and reading
6. For 9th grade students, each passing semester grade earns ½ credit in a course. The total number of credits necessary for promotion to the 10th grade is five (5), with 3 of those being in core subjects.
7. **9th grade students must pass 3 core subject level End-of-Course (EOC) tests (English Language Arts, Biology, and Algebra) to graduate from high school.**

IMMUNIZATIONS- Contact: Nurse Mendoza x3073

INCENTIVES FOR STUDENTS

HJH works very hard to reward students for their achievements, not only in academics but in other aspects of school. The following is a list of some incentives Hurst offers its students:

1. **Attendance**- Students are rewarded for excellent attendance with semester and final exam exemptions.
2. **Awards Assembly**- At the end of the year, students are recognized for various achievements, such as Most Improved, Character Award and Outstanding Student Award.
3. **A/B honor roll**- Students will be recognized each six weeks for their academic success.
4. **Community Partnership**- Each spring our contacts in the community sponsor a celebration of kids’ character by treating a small group of students to a luncheon.

These are just a handful of examples of ways we try to inspire our students to continue to do their best. Every day, in each class, teachers are also celebrating the successes of students.

LATE WORK- Contact: Appropriate Teacher

At Hurst Junior High, the expectation is for all students to complete and submit assignments by the teacher’s designated due dates.

Students who have an excused absence from school are granted one day for each day of their absence to complete missed work. Students are responsible to ask teachers about missed work when absent, and to take any steps necessary to complete and turn in the missed work. All other work assigned and not turned in when due, is considered late.

- **On-level classes:**
 - 10 points will be subtracted from the graded assignment each day past the due date with a cap of 50 points deducted from the grade.
 - Late work should be turned in within two weeks of the due date. A grade of “0” will be entered for assignments not submitted within two weeks of the due date.
 - Late work will not be accepted after the end of a six-weeks grading period.
 - Teachers have discretion regarding:
 - Late work submitted within the two-week window.
 - Late work submitted after the two-week window expires.
 - Formulating a missing work/”0” plan for their classes at the end of the grading period.
 - Formulating a plan for students submitting work after the end of a six-weeks grading period.
 - Teachers will take into account the “day for a day” practice when students are absent.

- **Advanced Academics:**
 - The expectation is for all students to complete and submit assignments by the teacher designated due date.

- Late work will not be accepted after the end of a six-weeks grading period.
- Teachers have discretion regarding:
 - Grade deductions within the initial five-day window
 - Late work submitted after the five-day window

LAW ENFORCEMENT- Contact: Officer Wesson x3090

Hurst Junior High has an SRO (School Resource Officer) on campus to assist the administration in situations concerning the law. The SRO does not handle school administered discipline but can issue tickets for the City of Hurst for various reasons, such as fighting, theft, and other criminal acts.

In addition, when other law enforcement officers wish to question or interview a student at school:

- The principal or her designee will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student.
- The principal or his designee ordinarily will make reasonable efforts to notify parents unless the interviewer raises what the principal considers to be a valid objection.
- The principal or his designee ordinarily will be present unless the interviewer raises what the principal considers to be a valid objection.
- The principal or his designee will cooperate fully regarding the conditions of the interview, if the questioning or interview is part of a child abuse investigation.

Students Taken Into Custody

State law requires the District to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court.
- To comply with the laws of arrest.
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision.
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court.
- By a authorized representative of Child Protective Services, Texas Department of Regulatory Services, a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student's physical health or safety.

Before a student is released to a law enforcement officer, the principal or his designee will verify the officer's identity and, to the best of his ability, will verify the official's authority to take custody of the student.

The principal will ordinarily attempt to notify the parent unless the officer raises what the principal considers to be a valid objection. Because the principal does not have the authority to prevent or delay a custody action, notification will most likely be after the fact.

Notification of Law Violations

The District is also required by state law to notify:

- All instructional and support personnel who have responsibility for supervising a student who has been arrested or referred to juvenile court for any felony offense or for certain misdemeanors.
- All instruction and support personnel who have regular contact with a student who has been convicted or adjudicated of delinquent conduct for any felony offense or certain misdemeanors.

LOCKERS- Contact: Kimberly Escobar: x3062

Students will be assigned lockers on a case by case basis. Students are responsible for providing a lock for the locker. We highly recommend that students keep their lockers locked at all times and NOT to share the locker combination with anyone. Students are not allowed to share lockers with other students.

In addition, students are assigned a **PE or athletic locker (Davidson/boys x3083 or MacDonald/girls x3086)**. Students will be provided a combination lock from the athletic department and should keep all belongings locked at all times.

Special instructions are given for the storage of **band instruments (Dominguez/Gonzalez x3079)** in the band hall.

MEDICINE AT SCHOOL- Contact: Nurse Mendoza x3073

The nurse and authorized school personnel are to administer only prescribed medication. The school does not dispense over the counter medication, such as Tylenol or Advil. Students receiving daily prescribed medicine must have an authorization form signed by their physician as well as their parent. All students will receive their medication in the clinic.

**** A student who shares his/her over the counter and/or prescription medication with another student may be charged with a felony.**

PARENT INVOLVEMENT, RESPONSIBILITIES, AND RIGHTS

The HEB ISD believes that the best educational result for each student occurs when the District staff, the student's parents and the student are doing their best. Such a partnership requires trust and much communication between home and school. To strengthen this partnership, every parent is urged to:

- Review the information in the student handbook and the Student Code of Conduct with his or her child and sign and return the acknowledgment form and the data sheet form
- Become familiar with all of the child's school activities and with the academic programs offered in the District. Monitor the child's academic progress and contact teachers as needed
- Attend scheduled conferences and request additional conferences as needed. To schedule a telephone or in-person conference with a teacher or counselor, please call (817) 285-3220 for an

appointment. A teacher will usually arrange to return the call or meet with the parent during his or her conference period or at a mutually convenient time before or after school

PARENT PARKING- STUDENT PICK UP

The Hurst Police Department, the HEB ISD Transportation and Safety Department, and the school's administrative team have combined efforts to develop an improved traffic plan for the school.

Traffic flow plan:

Enter the South parking lot by Red Bud. Exit the parking lot, and turn right. Harmon Road is a one way street going North (toward Pecan) between 7:30-8:30 a.m. and 3:00-4:00 p.m.

PASSING PERIODS

Passing periods between classes are four minutes in length. During this time students are expected to walk, get water, go to the restroom, and get necessary supplies for the next class. Look at your schedule carefully and plan the best route to get from one class to the next. You are expected to be in the classrooms on time.

PHYSICAL EXAMINATIONS/HEALTH SCREENINGS- Contact: Nurse Mendoza x3073

A student desiring to participate in the UIL athletic program must produce documentation that the student has been examined by a physician and is physically able to participate in the athletic program. This examination is required every year for students in athletics.

When a child's initial enrollment in the District is also the student's initial enrollment in any Texas school, the student will be screened for possible vision and hearing problems.

Students in grades 7 and all NEW students shall be screened for vision and hearing problems annually. Students in grade 9 shall be screened for abnormal spinal curvature before the end of the school year. Concerns about these health screenings should contact the **school nurse**.

PRAYER

Each student has a right to individually, voluntarily and silently pray or meditate in school in a manner that does not disrupt instructional or other activities of the school. The school will not require, encourage, or coerce a student to engage in or to refrain from such prayer or meditation during any school activity.

PROHIBITED ITEMS AT SCHOOL- Contact: Assistant Principals

The following items are prohibited in addition to the items noted in the district Student Code of Conduct. Due to theft, vandalism and/or disruption, the following items are not allowed at school:

- Permanent markers (Sharpies)
- Heelies
- Skateboards, rollerblades, scooters
- Lasers or any other type of pointing device

If a student has any of these items at school, it will be confiscated until a parent can pick up the item. Other items may be added to the list during the year if the administration determines it causes any kind of disruption to the learning environment.

REPORT CARDS, PROGRESS REPORTS, AND CONFERENCES

Grades, progress reports (at the end of the 3rd week of each six weeks), and report cards (at the end of each six weeks) are available on-line through Home Access Center (HAC). - This applies to all courses except Advanced Placement classes (all classes except AP Human Geography and AP Spanish IV).
- Teacher decides the format of the re-test.
- Teachers designate the deadline to submit the re-test.
- Re-test must be completed outside of the regular class time.

SAFETY

Accident Insurance

Under state law, the District cannot pay for medical expenses associated with a student's injury. The District does make available, however, optional, low-cost accident insurance program for students to assist parents in meeting medical expenses. A parent who desires coverage for his or her child will be responsible for paying insurance premiums and for submitting claims.

Emergency Medical Treatment and Information- Contact: Nurse Mendoza x3073

If a student has a medical emergency at school or a school-related activity when the parent cannot be reached, the school will access any information regarding special medical conditions or allergies that parents have provided to the nurse. Therefore, parents are asked each year to update any medical information.

Parents are also asked to fill out a **Student Enrollment Form (Lorena Sanchez x3072)** that provides the school with important contact information (name of doctor, emergency phone numbers, etc.). Once again, it is very important to keep this information updated.

Emergency School Closing Information

Should the weather become too severe that it becomes necessary to close the school, it will always be posted on the district website. In addition, district administrators will make the decision and notify the following media:

Radio Stations

820 WBAP AM
KVIL 1150 AM

SCHOOL DAY

The school building will be opened to the students at 7:55 a.m. and closed at 3:35 p.m. **Students who are on campus before or after these times are not supervised.** Therefore, parents are encouraged NOT to leave students outside of these times.

Starting at 7:55, students will enter the main hallway, get a grab and go breakfast from a cart and report to their first period class. Students will eat breakfast in their first period class and remain there until class begins. Students will NOT be allowed to congregate outside or in the halls in the morning.

After school, students will leave campus immediately unless participating in tutoring/club meeting, or serving a detention. Students will wait for their rides in the front of the school after a supervised activity.

SCHOOL SUPPLIES

Students need to bring their district issued device and charger daily. The device should be fully charged each day. All students are also expected to have pencil, pen, and paper each day for each class. Lists for other supplies needed for individual classes will be posted on each teacher's website by the first day of school.

SEARCHES- Contact: Assistant Principals

Searches may be conducted without a warrant and as permitted by law. Students' district issued devices, and lockers are school property and remain under the control and jurisdiction of the school even when assigned to an individual student. Students are fully responsible for the security and contents of their devices and lockers. Searches of district issued devices, lockers, backpacks and other belonging may be conducted at any time there is reasonable suspicion to believe that they contain articles or materials prohibited by District policy, whether or not a student is present. The parent will be notified if a student is searched.

SEXUAL HARASSMENT/SEXUAL ABUSE- Contact: Assistant Principals

Students must not engage in unwanted and unwelcome verbal or physical conduct of a sexual nature directed toward another student or a District employee. This prohibition applies whether the **conduct is by word, gesture, or any other sexual conduct, including requests for sexual favors.** All students are expected to treat other students and District employees with courtesy and respect; to avoid any behaviors known to be offensive; and to stop these behaviors when asked to or told to stop.

A substantiated complaint against a student will result in appropriate disciplinary action, according to the nature of the offense and the Student Code of Conduct.

TARDY POLICY

At Hurst Junior High, a student must be in his/her seat, ready to learn when the tardy bell stops ringing in order NOT to be counted tardy. Tardies are tracked weekly. After two tardies each week students receive consequences such as detentions, Saturday school and up to ISS/AEP depending on the frequency of the tardies.
