# Students of the Month

**LUCAS PEREZ, 9TH GRADE**

Lucas comes to class every day with a great attitude and willingness to learn. On top of that, he is always a patient helper to his peers. Lucas is forever working, not only toward his own success, but to help those around him succeed, as well.

**AISEA POESE, 8TH GRADE**

Aisea is locked in! He is an outstanding leader in our third period class. He works well with others, and often takes the responsibility of getting off-task students back on track. Aisea will be GREAT at whatever he decides to in life.

February 2024

**KRISH PATEL, 7TH GRADE**

Krish is always ready to participate and is a great classmate. I can always count on him to help and contribute to the class. Great job, Krish!

**ISABEL MARTIN, 9TH GRADE**

Isabel is such a hard worker, and has a true interest in human geography. She always goes above and beyond in order to not just make good grades, but truly learn and understand the world around her. Beyond this, Isabel is always willing to help others and offer support and encouragement to her peers.

**XIMENA HERNANDEZ, 8TH GRADE**

Ximena comes to school and class every day with a smile on her face, a positive attitude, and a ready-to-learn mentality! She engages in all class activities, is kind, inclusive, and respectful to those around her. Ximena always puts forth her best effort!

**MADELINE RAMIREZ, 7TH GRADE**

Madeline arrives to school with a great attitude, and is always willing to greet her classmates and get the day started. I can count on her to make a positive contribution in our discussions. Madeline is a fantastic student!
