THE TRINITYTIMES

WELCOME TO TRINITY HIGH SCHOOL!

Good Afternoon Trinity High School Families,

School starts tomorrow! We are excited about the upcoming school year and look forward to welcoming all of our new and returning Trojans. As the new Principal of Trinity High School I want to express my excitement for the new school year. I look forward to meeting everyone as the school year progresses.

New for this year is a monthly digital newsletter called the Trinity Times. The format will be very similar to this and will include students' stories, campus happenings, and upcoming events.

The goal is show our community the amazing things happening at Trinity HS and allow you a glimpse of what campus life is like. As we kick off the new school year, we would like to make you aware of some first day procedures.

- Student schedules are available and ready to view online in the Home Access Center (HAC). Counselors may still be balancing a few classes; therefore, students will receive their Official Schedules on the first day of school.

ABOUT ME

This year marks my 22nd year in the H.E.B ISD and my 13th year as an administrator. My time in HEB comprised of four years at Hurst Junior High, then two years at L.D. Bell where I taught and coached Football and Baseball before moving into administration. I spent seven years as assistant principal at Harwood Junior High, and principal of Bedford Junior High for eight years.

I received a Bachelor's degree in Education from McMurry University in Abilene, TX and a Master's degree in Educational Leadership and Policy Studies from the University of Texas at Arlington.

My wife works in the district as well, and we are proud parents to 13-year -old twin girls.

First Day of School

- Trojan Talk Room lists will be posted in the Hall of Flags, Library, and Cafeteria windows.

- Students do not have lockers so 1 bag is allowed in class by each student.
