M. Public Comment

Public comment shall be governed by the Board of Education Bylaw 0167 which is available on our website. There are two public comment opportunities. The first public comment is reserved for Action Items only, those items on the agenda the Board is voting on this evening. The second public comment is set aside for public comment on any school or school district issue that the public feels may be of concern to the residents of the school district. The first public comment is

limited to three (3) minutes per person. The second public comment length is determined by the board as per policy. Before making a public comment, participants are to state their name, place of residence, and group affiliation if appropriate. The Board will not respond to questions or comments until the initial public participation section of the agenda is complete. At that time, the Board or Administration will respond, as it sees fit, or it may defer responding, if at all, to a future meeting or to a response by written communication. The Board will then hear any additional comments that may come as a result of the Board's response. Participants may also be directed to follow the chain of command with the question or concern. While the Board will try to respond to as many questions or concerns as possible, participants who submit a multitude of questions should understand that it is unlikely that all of their questions will be answered and may be referred to further dialogue with the administration.
