About Incarnate Word Academy

The first Catholic school in Corpus Christi, Incarnate Word Academy (IWA) was founded in 1871 through the faith, courage, and dedication of the Sisters of the Incarnate Word and Blessed Sacrament (IWBS). The first four Sisters journeyed from France to settle in Texas with little more than the great love of Christ in their hearts and a burning desire to teach children. With their determination and vision, they brought Jesus, the Incarnate Word, to the children of this area through their ministry of Catholic education. The school continues to impact hundreds of children today throughout the Coastal Bend. With courage, imagination, and hard work — always guided by the power of God's providence — IWA continues its legacy of excellence.
