March 2024

To the Senior and the Guardian of a Member of the Class of 2024:

As the school year is coming to a close and graduation is approaching, we have a few reminders to communicate:

Payment of Fees

Section 3313-462. ORC gives the Board of Education authority to charge students fees for consumable supplies used in courses of instruction. A list is available upon request in the school office. To enforce payment of such fees, the school has the authority to withhold student credits, field trips, dances, and other incentives.

A schedule of payments can be established for fees. Any accumulation of unpaid K-12 fees, fines and charges must be paid in full in order to receive a diploma and/or release final transcripts. The school will make several attempts throughout the school year to collect fines, fees, and charges which are overdue.

Amanda-Clearcreek High School & Middle School Student Handbook 2023-2024

All fees must be paid by **May 14th**. Those seniors who have not paid their fees will not be permitted to participate in the graduation ceremony and their diplomas will be withheld.

Thank you for your support of Amanda-Clearcreek High School!

Sincerely,

Billy Dennis
High School Principal
