

It's a big DEAL!

Daily Elementary Art Lesson

Day 26

Make Music & Art

You will need:
A computer

Today we have a computer art project for you! You will be creating music and visual art to go with it.

This project was a Google Doodle to celebrate the birthday of a man named Oskar Fischinger. He was a talented artist and filmmaker. Fischinger fled Germany and moved to the United States just before WWII, because Hitler did not think work like his was truly art. In the US, he became famous for his films and art.

"MUSIC IS NOT LIMITED TO THE
WORLD OF SOUND. THERE EXISTS
A MUSIC OF THE VISUAL WORLD."
— OSKAR FISCHINGER, 1951

If he was alive today, he would be 120 years old.
