

Welcome to Gwinnett County Public Schools. GCPS along with MyPaymentsPlus provide a secure online environment to add funds to lunch accounts, acknowledge important information and documents, and pay for various fees collected during the school year for both, students and staff.

There are three ways to register for a MyPaymentsPlus account.

1. The most convenient and user-friendly way is to download the App. Search for MyPaymentsPlus in the App Store or Google Play and download the App to your cell phone or tablet.

2. Scan the QR code below to go directly to the website.

3. On a desktop computer, using Google Chrome, type [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com) to go to the website.

Once you have the App downloaded or you are at the website, click “Register Now” to create your account and follow the steps listed on your screen.

You will be need to enter your student’s ID number and their last name. Attaching the student ID number to your account is the only way to access your student’s school account. *If you are an employee, you will need to type your complete employee ID number (including all letters and numbers). This is the only way to access your school account.*

Once the ID number and last name is entered, Click “Add Account”

You should now see the cafeteria account along with any documentation, fees or activities that are available to your student.
