

Mental Health/Behavioral Resources

Please contact your insurance provider FIRST to determine where they have authorized access for mental health services. Please confirm, either while making an appointment or prior to going to an appointment, if your insurance provider is accepted. In addition, your insurance provider may have referrals to specific therapists who specialize in children and adolescent issues.

Hospitals/Crisis

Georgia Crisis & Access Line (GCAL)

1-800-715-4225
