| What is it? | <p>Fabens Elementary school is committed to our vision: Fabens Elementary is where minds, hands, and hearts come together to prepare our students for the future. We strive to provide high-quality education that is individualized to meet the needs of the community. One way that we continue to do this is by participating in the Title I, Part A State Program. The Title I program provides funding for low socio-economic schools. In return, the campus commits to meet the expectations laid out for Participation schools by the Texas Education Agency and the United States Department of Education. The Texas Education Agency is the state agency that oversees primary and secondary public education. It is headed by the commissioner of education. The Texas Education Agency improves outcomes for all public-school students in the state by providing leadership, guidance, and support to school systems.</p> |
| Funding | <p>Title I funds will be allocated for the implantation of the parent and family engagement program. These procedures, programs, and activities will be planned with meaningful consultation with the parents of participating children.</p> |
| Review | <p>All use of the funding and planned activities can be reviewed by Texas Education Agency upon request to ensure that they meet the needs of the Parent and Family Engagement Program.</p> |
| Family Meeting | <p>Parent meetings will be held periodically throughout the school year. These meetings offer the parent and school communities the time to share valuable and necessary information. These meetings will take place in the cafeteria and will be done in both English and Spanish to accommodate all participants. Entry is welcomed through the main entrance. Meetings may be held at different times monthly to help accommodate a wide variety of parent schedules.</p> <ul style="list-style-type: none"> ⇒ July 26, Campus Meet the Teacher Night (Opening introductions before the first day of school) from 4:30 – 6:00 pm ⇒ The annual Title I, PFE Policy, and School Compact Parent Meeting will be held on Augus 31, 2023 from 5:00 – 7:00 pm ⇒ The annual Title I, PFE Policy, and School Compact Parent will also be made available on September 1, 2023, from 8:00 – 11:30 am during continued open house visits for families. |
