Dear Parent/Guardian:

Beginning in Summer 2024, Summer EBT will provide families with children who are eligible for federal free or federal reduced-price school meals with \$40 per child per month to cover the three summer months of June, July, and August when school is not in session. New Jersey will be issuing the Summer EBT benefit as a single \$120 allotment per eligible child. Families will receive physical EBT cards, like those used for the Supplemental Nutrition Assistance Program (SNAP), which they can then use to purchase nutritious food.

If your child is not currently receiving free/reduced lunch, and you believe your child may be eligible, please complete a lunch application at

<https://www.mcts.edu/students-families/food-services/school-nutrition-program>.

You can also contact Larkesa Carr (Assunpink Campus) at 609-842-9683 or Maggie Rogers (Sypek Campus) at 609-737-9787 for a copy of a lunch application.

If you do not wish to complete a lunch application but feel your child may be eligible for the Summer EBT benefit, you can fill out the form on the following link:

[Household Information Survey 2023-2024 \(nj.gov\)](#)

Please note in order to ensure timely payment, please complete an application or the form by April 8, 2024 and return to the Main Office of your school. If you do not complete an application or form, you will not receive the above benefit.

Thank you for your prompt attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads "Deborah Donnelly".
