Carroll ISD Prepares for Job Fair, Seeking Talented Professionals for Various Positions

Southlake, TX - Carroll Independent School District (CISD) is excited to announce an upcoming Job Fair scheduled for April 4th, aimed at recruiting dedicated professionals to join its team. As the leading district in the Dallas-Fort Worth area according to Niche.com, and boasting "A" ratings across all campuses from the Texas Education Agency, CISD offers an unparalleled opportunity to work with exceptional students and an engaged community.

With positions available in a variety of roles, including teaching, special programs, child nutrition, transportation, and more, Carroll ISD is committed to fostering a dynamic work environment that encourages teamwork and personal growth. CISD employees cite robust support systems, innovative teaching opportunities, and a collaborative environment as key factors contributing to their satisfaction. But most importantly, employees report a community atmosphere within the district.

"The best part of working in Carroll ISD is being a Dragon," said Allyson Dickinson, Johnson Elementary School Teacher of the Year. "It is so unique for us to be part of something larger than ourselves. Our Dragons are our community. I get to see Dragon families when I am volunteering for the band. I go to the library with my family and see families from our school. I wave at people at the grocery store who I see in the car line everyday. It is this sense of community that drew my family here nine years ago and I feel blessed every day to be a Dragon."

Dr. Tamy Smalskas, Assistant Superintendent for Administration echoed Dickinson's sentiments.

"Carroll ISD is not just a district; it's a family. Our employees are the heart of our community, and their dedication shapes the future of our students. We value their contributions immensely and strive to create an environment where they feel appreciated, supported, and empowered to make a meaningful impact," said Smalskas. "This Job Fair is a great opportunity for professionals in our area to come check out the district and our current job openings."

Whether you're a seasoned educator looking for a new challenge or an aspiring professional seeking to make a difference, Carroll ISD welcomes individuals who share its commitment to student success. Prospective candidates are encouraged to mark their calendars for April 4th and join Carroll ISD at the Job Fair to discover rewarding career opportunities and become part of a community dedicated to educational excellence.

The Job Fair will take place from 2-6pm at 2400 N Carroll Avenue in Southlake.
