

The Business Meeting of the Board of Education of the Borough of New Providence was called to order at 7:30 p.m. on July 27, 2017, at the Allen W. Roberts Media Center, 80 Jones Drive, by the Board President, Mr. Smith.

Present on roll call were Bernadette Cuccaro, William Dibble, Robert Dinerman, Ira Krauss, Mary Misiukiewicz, Adam Smith and Joseph Walsh. Also present were Dr. David Miceli, Superintendent of Schools; Scott Hough, Assistant Superintendent of Educational Services; James E. Testa, School Business Administrator/Board Secretary; Jay Richter, Director of Curriculum, Instruction and Supervision; and twelve members of the public.

Mr. Smith led in the salute to the flag.

Mr. Smith read the following statement:

This is a public meeting of the Board of Education of the Borough of New Providence. Adequate notice of this meeting has been given in accordance with PL 1975, Chapter 231, in that an annual notice was made in conformance with Section 13 of the Act.

Whenever the business of the Board requires it to convene to Closed session, the session will begin no later than 10:00 p.m. At the conclusion of the need for Closed Session, the Board will reconvene to the public portion of the meeting. At that time the Board will complete any other business that may be before it and the public will then be given an opportunity to be heard before the meeting is adjourned.

Superintendent's Report

Dr. Miceli welcomed Mr. Jay Richter, the new Director of Curriculum, Instruction, & Supervision. He is busy working on grants and curriculum.

Dr. Miceli commented on enrollment. The District enrollments, as of the end of June, are: 661 students at the High School, 363 at the Middle School, 703 at AWR, 673 at Salt Brook and 36 students out of district. The total number of students in district is 2,436. We are down 1 student from from the end of May. In terms of enrollment numbers for 2017/2018, there are 67 kindergarten and 92 first graders at AWR, 59 kindergarten and 83 first graders at Salt Brook. We are comfortable with the numbers and will have no concerns for adding additional sections. We will still monitor registration, especially the last two weeks of August.

Mr. Krauss commented that we do know that there is a bubble going through, but has no tremendous impact in our current numbers.

Dr. Miceli commented that the summer programs went well, they were housed at AWR because of construction at the High School and Salt Brook. The extended year preschool program will end next week.

Dr. Miceli reminded everyone that the National District of Character celebration is October 4th, 6-8 pm at the high school. We have come up with a new theme for next year which will be unveiled that evening. There will be a number of activities and will be a great evening. The

district website is being upgraded this summer and is under construction, which continues to be accessible, so the content can be viewed and will be up by September.

Public Hearing

Mr. Smith declared a Public Hearing on the 2016/2017 School Self-Assessment for Determining Grades under the Anti-Bullying Bill of Rights Act at 7:37 p.m.

Presentation of the 2016/2017 Self-Assessment Scores and District Average.

Mr. Hough presented the School Self-Assessment for Determining Grades under the Anti-Bullying Bill of Rights Act.

The Anti-Bullying Bill of Rights Act requires each school in the district to complete an annual self-assessment on how well they implemented the various components of the mandate. The Anti-Bullying Specialists at each school convened with the members of their School Safety Team at the end of the school year to complete this year’s self-assessment process.

The assessment contains eight Core Elements:

- Core Element # 1: HIB programs, Approaches and Other Initiatives
- Core Element # 2: Training on the BOE approved HIB Policies
- Core Element # 3: Other Staff Instructions and Training Programs
- Core Element # 4: Curriculum and Instruction and Related Information
- Core Element # 5: HIB Personnel
- Core Element # 6: School-Level HIB Incident Reporting Procedure
- Core Element # 7: HIB Investigation Procedures
- Core Element # 8: HIB Reporting

Each Core Element contains several specific indicators for which each School Safety Team determined a ranking. The ranking scale utilized for the self-assessment is outlined below. The total possible points each school could earn on the assessment is 78.

- 0: Does not meet the requirement
- 1: Partially meets the requirement
- 2: Meets all requirements
- 3: Exceeds all requirements

The 2016-2017 self-assessment score for each of our schools and our district average were as follows:

High School	71
Middle School	74
Salt Brook	74
Allen W. Roberts	76
District Average	74

Mr. Hough commented that after the public has had the opportunity to comment and the Board of Education has approved the scores, the results will be submitted to the NJDOE. The NJDOE will issue an individual grade as well as an overall District grade for the 2016-2017 school year. HIB grades by the NJDOE must be posted on each school's homepage as well as the District's home page of the website.

Mr. Smith opened the meeting for public comments at 7:41 p.m.

There were no comments.

APPROVAL OF MINUTES

Mr. Dinerman moved to approve the Minutes as follows:

Business Meeting June 9, 2017

Seconded by: Mrs. Misiukiewicz

Dr. Miceli congratulated Mrs. DiNardo as Mr. Hough's new Administrative Assistant. She has been working in central office with Jim for years and her replacement, May Moy, is here today to be approved. Brian Henry is here tonight also. He will be joining us as Assistant High School Principal. He has been a Supervisor at Bridgewater-Raritan School District for several years.

Katie Blanco will be replacing Kristie Arnold as our Language Arts Department Head K-6. She has been with us for a number of years, as a reading specialist, working side by side with Kristie. Congratulations to all.

----------------------------------	--	-----------

Regulation No.6620 (Mandated)	Petty Cash (Mr. Krauss)	(Revised)
----------------------------------	----------------------------	-----------

Dr. Miceli commented that the changes in the Student Assessment Policy is that the student state assessment scores will be in their transcripts. This was something we have been saying to students.

Mr. Smith commented that this will be effective for this year's graduating class.

Mr. Hough commented that the scores are for students in grades 9-12.

Dr. Miceli commented that Mr. Hough and he met with Mrs. Zirpoli to get the message out that this is important so that students, parents, and the whole community know.

Mrs. Zirpoli commented that this was communicated to the parents and students the first year PARCC was implemented. We had an assembly and at that time, said exactly this “at any point in time, the state can make a decision that this information can be reported to the colleges”.

Seconded by: Mr. Dinerman

Committee Reports

Curriculum, Instruction and Technology

Mrs. Cuccaro, Committee Chairperson, commented that Mr. Richter is doing a great job.

Finance, Facilities and Safety/Security

Mr. Krauss, Committee Chairperson, commented that committee members took a tour of the construction. Roof contractors are working all week and on weekends.

Mr. Testa commented that he has a meeting every two weeks with the contractors. Roofs are on schedule to finish by the end of August at Salt Brook and High School. There should be no issues to have both roofs done by the start of school. Renovations for all the security vestibules are on schedule to be done by August 31. The only thing that won't be completely done will be at Salt Brook School entrance. We might have to wait for the second set of doors to come in before they can install them, but the turnaround time on the installation should be quick.

At the high school, we had a little concern with Mark construction not making the high school totally functional at the start of school. They have been working on some Saturdays and Sundays, but they will be working every weekend from now on so that they will be finished by August 31.

Mr. Testa commented after today's meeting, he felt more comfortable as far as where the projects are. It was requested that the owner of Mark Construction be present and since then, the work has been more efficient. The only piece that may not be totally done at the high school is the Media Center.

Mr. Testa commented that the construction manager is very good. He calls him daily with updates and he is aware of which areas are a priority.

At Salt Brook School, there is one other piece that might not be ready. The upper boiler room that is being renovated for extra instructional space is going through asbestos abatement. The plumbers are there to move piping, so Tri-Form Construction, cannot get in there until that is finished.

Dr. Miceli commented on the Lieder field project. The original budget we had was \$19,000.00. This was to replace only the fence. The Architects came up with the design and quotes from two contractors. They came back with an estimate of \$115,000.00. This was to replace the entire entrance to Lieder field. We told him that this number was not a number the Board is comfortable with and if he can come up with something different, we can reconsider the project in the future.

Mr. Krauss commented that this amount is too much and maybe if the price were at a midpoint of \$30K to \$50K, but should not do it at this time.

Mr. Dibble commented that we should wait until the end of all the construction and see where we are at as far as the budget. He liked the design and he would like it to be done right. He asked if the Board is comfortable with waiting for this project for future.

All agreed to wait and see more options with the range of what Mr. Krauss suggested.

Personnel, Management and Communication

Mr. Dibble, Committee Chairperson, had nothing new to report at this time.

Old Business

Reviewed 2016/2017 Board and Committee Goals. Goals for 17/18 will be submitted in August.

New Business

1. Revised State Aid Figure is \$107,792.00 more. Mr. Testa commented that we can appropriate in the 18/19 school year. Mr. Testa commented that he and Dr. Miceli discussed that it was best to utilize the Aid for the 18/19 school year budget. All Board members agreed to use this State Aid for 18/19 School year.
2. New Providence Community Pool Footbridge.

Mr. Testa commented that we were asked to contribute to the renovation of the New Providence Community Pool Footbridge. He commented that because we use this footbridge at times for students and staff to walk across from the pool parking lot, we should contribute to the renovation.

He checked with the District's attorney to make sure we can appropriate finds for this purpose, and they said we should be able to since we do use the bridge. He will meet with Doug Marvin to discuss this matter.

The Board agreed to contribute to the Footbridge since our students and staff use the bridge to get to the high school from the pool parking lot.

3. Athletic Committee Proposal

Mr. Smith commented that the Athletic Committee is a group of concerned parents that have questions and issues and that he and Dr. Miceli met with. They had concerns about the responsibilities of the Athletic Director, high school cut policy, sports training issues and other issues. They came back with a proposal to create an Advisory Committee to discuss the various athletic programs in the community.

Mr. Smith commented on a policy on Advisory Committees and this policy consisted of Board members and community members. He doesn't think this would qualify for this group. The overall issue was finding ways to support each other, and have everyone concerned involved.

Dr. Miceli suggested the group meet with the Athletic Director. He suggested a meeting like the PTA President's meeting he has that meets 4x per year with an agenda.

Mr. Smith suggested this was a good idea, to have the presidents of the various athletic programs in our community discuss with our Athletic Director what can benefit our athletic program. The AD then can report to Dr. Miceli after each meeting. He feels that nothing but good can come out of this.

Chris Bisaccia, New Providence resident, commented that Mr. Smith described it well and he feels it is a great idea. This will help voice concerns and help both sides.

Mr. Carangelo agreed.

Dan Henn, New Providence resident, agreed that this was a good idea.

PUBLIC COMMENTS

Mr. Smith opened the meeting for public comments at 8:42 p.m.

Glen Robertson, HS Teacher

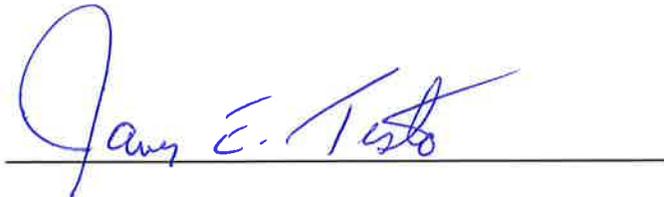

Mr. Robertson commented on the test scores being on student transcripts. He commented that putting the test scores on student transcripts will compromise confidentiality of students with IEPs.

Mr. Smith thanked Mr. Robertson with his concerns.

There being no other public comments, Mr. Smith declared the public portion of the meeting closed at 8:45 p.m.

Adjournment

There being no other business before the Board, on a motion by Mr. Krauss, seconded by Mrs. Cuccaro, and carried unanimously, Mr. Smith declared the meeting adjourned at 8:45 p.m.

James E. Testa, Business Administrator/Board Secretary
7/27/17 Board Meeting
