Dear Sir or Madam,

The French American School of Rhode Island (FASRI), a highly respected 501(c)(3) non-profit organization, invites you to join our annual fundraising Gala as an Event Sponsor.

Our school provides children and their families with an exceptional bilingual education and unique multicultural experience in the State of Rhode Island. The goal of a FASRI education is to nurture our students to become engaged and open-minded citizens.

This year, The French American School of Rhode Island (FASRI) celebrates 30 years of bilingual education and we look forward to the growth of our community and school. Through this Gala, we hope to raise substantial funding for campus improvements and program enrichment, including a Play Space on-site for our students to enjoy.

Your engagement as a Sponsor will help to ensure we maximize the proceeds that support bringing our mission and vision to life. The FASRI Gala will offer you significant visibility within the Rhode Island international community, as our multicultural school is composed of students, families, faculty and staff representing over 30 cultures and nationalities.

At FASRI, our students become young adults proficient in at least two languages, fluent in two cultures, open-minded, and ready to make their mark in the world. We have students from nursery school to 8th grade and are proud of our meaningful teaching and learning experiences.

**Being a Sponsor or a Donor for our 30th Anniversary Gala** will support a powerful type of education. Your generosity makes a difference in the lives of our students. We hope you will join us in celebrating our 30th Anniversary.

With gratitude for your support,

Bénédicte Brouder

Where: Warwick Country Club, 394 Narragansett Bay Avenue, Warwick, RI
Motto: “Excellence Through Bilingualism”

How your sponsorship to the 30th Anniversary Gala helps

Our innovative program is truly different from that of most local schools. From the earliest age, students have native-speaking French and English teachers. We immerse children through co-teaching (both teachers in the classroom, working in both languages at once) and by building bridges between the languages and cultures.

We reach out to Donors to help fund our student programs while keeping our tuition as affordable as possible. Your sponsorship is crucial to enhance all aspects of the students’ learning such as salaries for faculty, enrichment programs, technology needs, and educational supplies. This year, we are building a fund to create a Playground space at the back of the building. The PlaySpace Project will change the everyday lives of our students for years to come!

How being a FASRI Gala sponsor can benefit your company

Every year, we welcome approximately 200 guests to celebrate bilingual education and to support the school. The guests who are attending the event are curious about world cultures, and excited about discovering new products and services. They live primarily in Rhode Island, Massachusetts and Connecticut, and include parents from the school, their friends, and members of the local community.

Supporting the event as a Sponsor can benefit your company in many ways:

- Market your brand, products and services to the French American School community and the wider community in Rhode Island and surrounding area through the event publicity (mailings, email blasts, social media).
- Ensure your philanthropic dollars have a real impact on Rhode Island’s global citizens of the future and help give children the life-changing gift of a dual-language education.
- Entertain clients or employees as Sponsorship Packages include tickets or tables for the event.
