Dear (person's name),

I am writing to request that my son/daughter, (child's name), be evaluated for special education services. I am worried that (child's name) is not doing well in school and believe he/she may need special services in order to learn. (Child's name) is in the (_) grade at (name of school). (Teacher's name) is his/her teacher.

Specifically, I am worried, because (child's name) does/does not (give a few direct examples of your child's problems at school).

We have tried the following to help (child's name): (If you or the school have done anything extra to help your child, briefly state it here).

I understand that I have to give written permission in order for (child's name) to be evaluated. Before the evaluation begins, I have some questions about the process that I need to have answered (list any questions you may have). I would be happy to talk with you about (child's name). You can send me information or call me during the day at (daytime telephone number). Thank you for your prompt attention to my request.

Sincerely,

Your name

Note: If your child has been identified as having a disability by professionals outside the school system, add the following sentence to the end of the first paragraph: “(Child’s name) has been identified as having (name of disability) by (name of professional). Enclosed is a copy of the report(s) I have received that explains (child’s name) condition.”
