School Board Recognition of School Board Members During School Board Member Appreciation Week

Summary Explanation and Background

The Georgia School Boards Association (GSBA) has announced the week of March 11-15, 2024 as "School Board Member Appreciation Week." The Cherokee County School District joins a statewide celebration this week to salute the efforts of local school board members. As constitutional officers of Georgia, school board members are responsible for setting educational policies, employing school personnel, providing buildings and equipment, operating a transportation system and disbursing school funds. As community leaders, school board members serve as advocates for the children in local public schools and must study, evaluate and decide what actions are in the best interest of those students.

The Cherokee County School Board has, in the past, been named a School Board of Distinction by GSBA, commended for governance and leadership by Cognia and recognized as Governance Team of the Year for large systems. Thank you for your dedication and hard work on behalf of the children of Cherokee County!

Summary Explanation and Background

The School Board will select its Delegate and Alternate for GSBA's upcoming 2024 Summer Conference and Delegate Assembly to be held June 7-8, 2024 in Savannah, Georgia.

Current GSBA bylaws include provisions for each local school board to select and approve a voting delegate (or alternate if that is who ends up serving) to serve as the local board's representative in an annual Delegate Assembly. The GSBA-related votes that are cast (for officers and legislative positions) by the delegate are to represent their board, not their personal views. Prior to any delegate assembly meeting, the delegate and alternate will receive the handbook with the agenda, recommendations on legislative positions from GSBA's Governmental Operations Committee, and a slate of officers to be determined.

FINANCIAL REPORT
FEBRUARY 2024

General Fund

For the month ending February 29, 2024, the eighth month of the 2023-24 Fiscal Year, the School District's Operating Account (General Fund) has received $414,335,559 in revenue (year-to-date) consisting of state funds of $141,783,774 (54% of budget), $268,377,269 local revenues (96% of budget), and other funds of $4,174,516 (129% of budget). All operating expenditures of $329,612,038 (61% of budget) are within the Board of Education's approved 2023-24 budget.

Building Fund/Ed-SPLOST Collections

The Capital Outlay Fund balance of $41,322,147 as of February 29, 2024 reflects Special Purpose Local Option Sales Tax for Education (Ed-SPLOST) collections, proceeds of bond sales for capital outlay purposes, and transfers from the General Fund less bond refundings, bond issuance costs, transfers of Ed-SPLOST to the Debt Service Fund and capital outlay expenses paid.

Cherokee County School District received $5,110,321 for sales tax collections received in February 2024, for the month of January 2024, the 16th month of 60 monthly sales tax collections for the 2022-2027 SPLOST. Collections received were above projections for the month by $189,004 and above cumulative projections by $12,388,452.

Ed-SPLOST collections are accumulated within the Building Fund to be used for specified capital outlay purchases (limited pay-as-you-go) and transferred to the Debt Service Fund at the appropriate time to meet annual bond obligations (January and July). Excess Ed-SPLOST collections above projections are used to meet critical capital outlay needs and/or transferred to the Debt Service Fund as a safeguard against future negative economic conditions, assuring the School District can meet future bond payments.

Debt Service Fund

The Debt Service Fund balance as of February 29, 2024 is $67,217,769 representing funds accumulated from Ed-SPLOST collections, collections from the 1.5 mills of property tax approved by the School Board, interest earned from investments and Invested Sinking Fund earnings. The Invested Sinking Fund is attached to the Series 2010B Bond issuance and is structured to fully pay the annual debt service on the Series 2010B bonds through January 2028. Annual Debt Service payments are made in February and August of each year, according to the Debt Service Schedule published annually in the Cherokee County School District Budget Book.

Federal/State/Competitive Grants and School Nutrition Funds

The School Nutrition Fund Balance as of February 29, 2024 is $20,640,385 and represents the difference between revenues from all sources and all expenditures. This amount is held in reserve to cover potential funding shortfalls or unexpected expenses.

Federal, State and Competitive grant funds are annually awarded to the School District based on funding formulas (Federal Title Programs) and/or program applications (State and competitive grants). As funds are expended, reimbursements are sought from the various programs. Local funds are not intended to cover shortfalls within grant programs nor are grants intended to carry a fund balance.

Title

Defeasance and Redemption of General Obligation Bonds, Series 2014 A and B

Requested Action

School Board Approval of a Resolution Authorizing Defeasement and Redemption of the General Obligation Bonds, Series 2014 A and B and Letter of Direction to Paying Agent, Regions Bank

Summary Explanation and Background

Due to higher than projected sales tax collection of the 2018 and 2021 voter approved Special Purpose Local Option Sales Tax for Education (Ed-SPLOST) referenda and School Board approval to shift part of the Ad Valorem Property Tax millage rate from Maintenance and Operations (M&O) to Debt Service (currently 1.5 mills), the Debt Service Fund Balance is sufficient to provide the School District with an opportunity to defease and redeem the General Obligation Bonds issued in 2014 when they become callable on August 1, 2024. This means the Series 2014 A and B bonds will be paid in full at that time, a full 9 years ahead of the original maturity date of August 1, 2033. By exercising this option, the School District will avoid paying approximately $4.6M in interest over the next 9 years and reduce long-term debt by $24.4M.

The Resolution authorizes the Superintendent and staff to move forward with this transaction.

The Letter of Direction provides instructions to Regions Bank, acting as Paying Agent on behalf of the School District, to purchase United States Treasury obligations in an amount sufficient to pay the outstanding par amount and any accrued interest on the Series 2014 A and B bonds, as of August 1, 2024. This method assures funds are in place well ahead of the closing date and earns approximately $320,000 in interest that further reduces the net cost to the School District.
