# March Madness Coin Drive

Dear Parents and Guardians,

We are excited to bring your attention to the Coventry Scholarship Foundation, **Dollars for SCHOLARS program**. Each year we conduct a coin drive at CGS & GHR. While this is a "coin collection" we will gladly accept dollars and checks made out to Coventry Scholarship Foundation! Bring in your loose change, dollars or checks. Let's start saving!

**\*\* Prizes will be awarded to the top contributing class in each grade level! \*\***

**Please help your child to start thinking about life after high school and get them involved in saving for their future. Every penny counts!! Our coin collection is scheduled for:**

**March 18-22, 2023**

It is time for your student's class to begin saving for their graduation scholarship night, where **every Coventry student who applies is awarded a scholarship** even if they attend a high school other than CHS! In addition to the class scholarship fund, there are memorial scholarships honoring past students, staff, and Coventry residents. Police, Fire Departments, Ambulance Corp., churches, organizations and local businesses also give out scholarships to students fulfilling a variety of criteria. At this point most students don't know if they will be a plumber, nurse, teacher, accountant or business owner. But we all know that education after high school for a trade or diploma is costly.

You can also go to [coventry.dollarsforscholars.org](http://coventry.dollarsforscholars.org) to donate to your student's graduating class. This year's Kindergarten class is the class of 2036. Thank you for participating! We are always looking for volunteers to work on the Coventry Scholarship Foundation, please contact Jen Rodgers at [jrodders334@gmail.com](mailto:jrodders334@gmail.com) or Cheri Trudon [CTrudoncon@gmail.com](mailto:CTrudoncon@gmail.com)

Thank you for your support!
