

## WHAT IS A SCHOOL - PARENT COMPACT?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade level standards.

Effective compacts:

- Link to goal of the school improvement plan
- Focus on student learning skills
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe and participate in the classroom

## JOINTLY DEVELOPED

The parents, students and staff of M. D. Roberts School of the Arts developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific and students told us what would help them learn. Meetings are held every fall (August and September) each year to review the Compact and make changes based on student needs.

**Parents are welcome to contribute comments at any time.**

## COMMUNICATING ABOUT STUDENT LEARNING

M. D. Roberts is committed to frequent two-way communication with families about children's learning. You may reach the teachers at 678-479-0100. Some of the ways you can expect us to reach you are:

- Parent-teacher conferences during which the compact will be discussed as the compact relates to the individual child's achievement
- Provide frequent reports to parents on their children's progress
- Provide reasonable access to staff opportunities to volunteer and participate in their child's class, and observation of the classroom
- Updates on the school Website
- Weekly School Messenger phone calls

# Teachers, Parents, Students – Together for Success

## As a school we will...

M. D. Roberts School of the Arts will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Provide students with a writing and a grammar rules folder.
- Provide math worksheets/books and online resources for practice weekly.

## As parents we will...

M. D. Roberts' parents joined staff to develop ideas about how families can support students' success in math & reading.

- Use the grammar folder and classroom notes with my child during homework.
- Read with my child at least 30 minutes every night.
- Discuss and use their math and reading notebooks to help with homework problems.
- Review reading and math assignments weekly.
- Review student assignments in Canvas

## As students we will...

M. D. Roberts students joined staff and parents to develop ideas about how they can succeed in school.

Students thought of the following ideas to make connections between learning at home and school:

- Bring home my notebooks and discuss activities I can do with my parents to practice both math and reading.
- Use Canvas when I do my homework at home, daily reading and show my parents my Canvas assignments.
- I will read for 30 mins every night.

	weekly.
