

Medicaid/CHIPS

Medicaid/CHIPS - For more information about Medicaid, you can look on the Internet on the Centers for *Medicare and Medicaid Services* webpage at [Medicaid.gov](http://www.Medicaid.gov) or call toll-free, 1-877-541-7905 or just call 211.

Medicaid Waiver Interest List – This is a 12+-year waiting list- **PLEASE**, place your child's name on the Waiver list/Interest list for services that can support them into their adult life. If your child has a diagnosis of Intellectual Disability, Autism or is medically fragile, you should call the numbers listed below and place their name on the list. You will need to have your child's social security number and their Medicaid number (if they have one) available. Just say..."*I have a child with a disability and I want to put him/her on the List.*"
