August 2, 2023

Greetings MD Roberts Middle School of the Arts Parents and Families,

My name is Rhonda Jackson. I am your Parent Liaison for MD Roberts Middle School of the Arts, and I am thrilled to be in this position to assist you with parent and family engagement. Prior to accepting this position, I was employed as a Registrar for three years, a Secretary for three years, and an Itinerant Nutrition worker which began my career with Clayton County Public Schools.

My background is a culmination of parent interaction through technology support, student success through tracking grades and attendance, and a wide variety of school based support-related knowledge. My plan is to utilize my diverse background to create a welcoming environment for both parents and families to feel supported and informed. As a product of Clayton County, from attending CCPS schools at all grade levels, graduating from Clayton State University, and now working for Clayton County Public Schools, it is my honor to serve as a liaison between our parents and the community.

The Parent Resource Center is available to you from *8:00 am - 12:00 pm & 1:00 pm-3:00 pm Monday - Friday*. If you have any questions or need further assistance, you can contact me at the email address listed below. Also, remember to visit our school's website at: <https://025.clayton.k12.ga.us/> and sign up for "Infinite Campus Parent Portal" and "Class Dojo" to receive school notifications via text or email from your parent liaison, your child's teachers, and school administrators.

I look forward to working with you and supporting your family as I continue to become acclimated in my new role here at MD Roberts Middle School of the Arts. This is going to be an exciting school year so buckle up and let's get ready to rock and roll.

Warmest Regards,

Rhonda Jackson

Rhonda Jackson
