Dear Mount Olive Township School Community,

I would like to express my heartfelt gratitude to all who attended Tuesday night's Strategic Planning Kick Off meeting. Your active participation and insightful contributions made the event truly valuable as we embark on this crucial journey of shaping the future of our school district.

In addition to the engaging discussions at the Kick Off meeting, we have been fostering further dialogue and information sharing through faculty and student meetings facilitated by Mrs. McDermond and myself throughout March. Your continued involvement in these discussions is vital as we move forward.

Core Planning Team Formation:

As we progress in our Strategic Planning process, our next step is to establish the Core Planning Team. This team will be composed of diverse stakeholders who will collaborate to develop our strategic plan based on the collected data. The Core Planning Team meetings will take place on the following dates:

- Wednesday, April 10, 2024
- Thursday, April 25, 2024
- Monday, May 6, 2024
- Wednesday, May 29, 2024
- Tuesday, June 4, 2024

All meetings will be held in the board conference room at the board offices from 6:00 - 8:00 pm. If you are interested in being part of this team, kindly complete this [Google Form](#) by Tuesday, March 26th. Please note that the Core Planning Team will be limited to 25-30 participants representing a cross-section of our school community, including staff, students, administration, parents, and community members. Due to this limitation, not everyone who expresses interest may be selected. We will notify selected individuals by Thursday, March 28th.

Community Surveys:

Additionally, we value the input of all community members. Therefore, prior to Spring Break, we will distribute surveys to ensure that everyone has an opportunity to voice their

perspectives and ideas. Your feedback through these surveys will greatly contribute to our strategic planning efforts.

Your active involvement in these initiatives is crucial as we work together to shape the future of our school district. Thank you for your continued support and commitment to our community.

Warm Regards,
