

DLHA Wellness Policy Evaluation Survey

The USDA requires that all school districts that participate in the National School Lunch Program have a Wellness Policy that meets specific criteria and that it is evaluated every three years. This survey will help us be in compliance with the USDA regulations and provide helpful feedback to continue improving our SCH Wellness Policy.

1. Did you know that Darrell Lynn Hines Academy had a Wellness Policy?

- Yes
- No

2. If you were unaware that Darrell Lynn Hines Academy had a Wellness Policy- what would be the best way to communicate to you that we have one?

If you would like to read the DLHA Wellness Policy, you can find it on our website at www.dlhacademy.org and search "NUTRITION" scroll down to click on the Wellness Policy.

DLHA Nutrition Goals

- A. Nutrition education shall be included in the sequential, comprehensive health curriculum in accordance with the curriculum standards and benchmarks established by the State.
 - B. It is our goal to integrate other subject areas of the curriculum, when appropriate to complement, but not to replace, the standards and benchmarks for health education.
3. Based on the established goals above - how well do you feel that DLHA is meeting these goals?

***Mark only one oval.**

- A. Exceeding goals
- B. Meeting goals
- C. Not meeting goals
- D. I am unsure if they are meeting the goals:
- E. Other: _____

4. Do you think that DLHS adheres to a strict Wellness and Nutrition program?

- Yes
- No

5. Are there any nutrition related goals that you would like to see at Darrell Lynn Hines Academy?

DLHA Other School-Based Activity Goals

Per USDA regulations SCH has established the following goals related to "Other School Based Activities":

- 1: The schools shall schedule mealtimes so that there are minimum disruptions by bus schedules, recess, and other special programs or events.
- 2: The school shall provide attractive, clean environments in which the students eat.
- 3: An organized wellness program shall be available to all staff, students, and parents.
- 4: Schools in our system utilize electronic identification and payment systems, therefore, eliminating any stigma or identification of students eligible to receive free and/or reduced meals.

6. Based on the established goals above - how well do you feel that SCH is meeting these goals? *

Mark only one oval.

- Exceeding goals
- Meeting goals
- Not meeting goals
- I am unsure if they are meeting the goals
- Other: _____
