Dear Parents/Guardians,

I hope this email finds you well. We wanted to inform you that on April 8, 2024, there will be an early release time for students in grades K-12 due to the occurrence of a solar eclipse and the potential dangers associated with viewing it.

To ensure the safety of our students, we have made the decision to dismiss all students at 1:15 pm on that day. This will allow families the opportunity to make appropriate arrangements for their children's safety during the solar eclipse.

We encourage you to take precautions to protect your child's eyes during the eclipse, as looking directly at the sun without proper eye protection can cause permanent damage. If you plan to view the eclipse with your child, please be sure to use certified solar viewing glasses or other safe viewing methods.

We apologize for any inconvenience this early release may cause, but the safety and well-being of our students are our top priority. Thank you for your understanding and cooperation in this matter.

If you have any questions or concerns, please feel free to contact your child's principal

Sincerely,

Tamara Allen-Thomas

Dr. Tamara Allen-Thomas

Clairton City Schools Superintendent

Mission

Clairton City School District will prepare all students to be career and college ready fostering positive relationships, providing rigorous academic experiences, and technology-rich opportunities in a collaborative environment.
