Project SEARCH at Salina Regional Health Center

About Project SEARCH

- Founded at Cincinnati Children's Hospital in 1996.
- Project SEARCH is a 1-year internship program for young adults with disabilities age 18 and over.
- The goal for our interns is competitive employment.
- The program takes place in a business setting .
- Total immersion in the workplace allows work skills to be learned in the business taught by the business staff.
- For additional information, visit: www.projectsearch.us

Who may apply to be an Intern?

- We accept high school students with developmental disabilities, 18-21 years of age, who have finished their credits and are in their last year of high school.
- Adults with disabilities may also choose to private-pay their tuition for the program.
