This account is meant to be created by an adult family member. It is important to create only one account per household so that the system will be able to save and access your information correctly.

Required fields are marked as "Required", and Will County School District 92 will receive the data exactly as it is entered.

Please be careful of spelling, capitalization, and punctuation.

Select "Next" on each page after you enter the information requested.

You will be able to traverse through the areas of the application while the application is in progress.

On the "Review & Submit" page, check your data before proceeding, once you hit submit you will not be able to go back.

This Area will have all the Student information you have entered. Review this section for accuracy.

Note: Required fields are marked as "Required", and Will County School District 92 will receive the data exactly as it is entered. Please be careful of spelling, capitalization, and punctuation.

Missing Required Information will be noted with this **required** symbol. Note: After corrected you will still see the above box again, but all the highlighted red boxes will be gone.

Select "**Submit**"

On the submission confirmation page you will have the opportunity to print out a copy of your registration to keep for your records. Note: Once the form is electronically submitted, you will receive an e-mail confirmation.

New Student Registration for Additional Students

A New Student Registration form must be submitted for each student in your family. Once you have successfully submitted one New Student Registration, you will have the opportunity to begin another from the "Submission Confirmation" page.

Once your registration is completed you will see this screen and receive an Email.

Next Steps

1. Print a copy of the [Completed Form](#) for your records (optional)

Now that you've submitted your New Student Registration you must contact the school to make any adjustments.

2. Download any applicable supply list

Download your student's supply list here:
