Dear Board Members of Rochester Community Schools,

It is with great interest that I interview for the position of Superintendent of Rochester Community Schools. My leadership experience aligns well with the qualifications you are seeking, and I am certain to be a valuable addition to RCS leadership. I want the very best for each and every student.

Over the past twenty-five years, I have been a classroom teacher, ISD Consultant, Assistant Superintendent of Curriculum and Instruction, and Superintendent of Fraser Public Schools. I bring a rare combination of innovative instructional design, leadership, team building, and open cooperation. Bringing together the students, staff and parents throughout the community will enable us to achieve great things and to bring the students of Rochester Community Schools to the forefront of every decision that we make.
