Notes & Conditions: I understand that Philomath School District (PSD) reserves the right to revoke permission for an interdistrict transfer student to attend PSD at any time, without prior notice. The approval of an interdistrict transfer does not create any right to attend Philomath School District, even for the remainder of a current school year. The Superintendent or designee may immediately revoke permission to attend PSD for students whose attendance, conduct or academic efforts are not satisfactory to the principal, in accordance with Policy JECB and JECB-AR.

- Interdistrict transfer requests, once approved, remain valid as long as there is no break in enrollment at PSD.
- Parent/guardian will be responsible for transportation to and from the school district.
- The sending district will release state basic funds to the receiving district while the agreement is in effect.

High School Students: Interdistrict transfers can affect eligibility of interscholastic activities that are governed by OSAA (Oregon School Activities Association). Students and parents should investigate these regulations carefully when transferring.

I agree to the above conditions and understand that it is necessary and required for me to assume all responsibility for transportation.
