

In attendance: Mrs. T. Martinez, Mrs. R. Marquez, Mrs. A. Luna, Mrs. K. Melendez, Mrs. V. Rodriguez, Mrs. Banuelas

Agenda:

- XELLO in Career Exploration in Fabens MS.
- Family STEM Days
- TSTEM Summer Camps 2021
- Girl Power

Notes:

-XELLO: a systematic plan needs to be put in place to ensure doubling of lessons on XELLO is not happening in STEM classes and Career Exploration and 9th/10th grade.

-Family STEM Days: How can we increase family and community involvement? Using Padlet, each campus will create 2 activities for students to design and build a product with their parents, siblings, cousins, or other family members. Students will post a picture of their product with the encouragement to take a picture with family members who helped during activity.

- March 4-25 : 2 activities/campus
- April 12-26 : 2 activities/campus
- May 17-21 : 1 activity/campus

-TSTEM Summer Camps: Dates were chosen tentatively until administration approval. Lesson Plans and F2F/Virtual/Hybrid and times will be determined based on Covid situation.

- June 14-17 2021
- Camp cost \$15

Schedule STEM workshops for free to promote TSTEM Summer Camps.

-Girl Power: one of the goals is to increase the amount of girls in the STEM program. We have done through STEM clubs in the elementary campuses. Now we need sustainability. We will organize mini-conferences with 3rd-12th grades female students.

- Name of mini-conference: *#thepack: Girl Empowering*
- Date: March 31 @ 2pm. Virtual
- Guest Speaker: non-profit organization "Mija, YES you can!"

Action Items:

- Create a Padlet account
- Plan meetings individually with each coordinator to create Parent STEM Days on Padlet. Need to be completed by March 1 to release them by March 4.
- Plan on a meeting with Coordinators in March to schedule STEM workshops to promote STEM summer camps.
- Reach out to "Mija, Yes you can" and invite them to *#thepack* and plan the activity for that day.
- Engineering students 3D prints pins for *#thepack: Girl Empowering*.
