

Fabens' TSTEM Academy has implemented STEM clubs at Fabens' Elementary, O'Donnell Intermediate, and Fabens' Middle School to expose students to STEM career fields, PBLs, and innovative learning environment. The scaffolding of activities performed at each campus STEM club promotes recruitment to Fabens' TSTEM Academy at the high school level.

Fabens Middle School 6-8th In addition, counselors inform eighth graders of the STEM endorsement that is available at the high school. Please see list below for future events.

December 01, 2020: Virtual Presentation on the TSTEM Academy and Pathways. Information was presented to 8th graders during Career Exploration class.

January/February 2021: Virtual Presentation on the TSTEM Academy and Pathways. Information will be presented to the rest of the 8th graders during Career Exploration class.

TBD: Students and parents fill out Verification Forms for high school endorsements.

TBD: Preregistration for Fabens HS; Endorsements
