# Goal Statements & Priority Objectives

## Breitung Township Schools will:

### Provide a safe, secure, and welcoming environment

- Teach, model, and expect positive student and staff interactions
- Continually update and enhance the physical security of the school facilities
- Continually update and enhance cyber security and safety
- Continually maintain and upgrade the school facilities and grounds
- Maintain school resource officers at each school complex (EK-4) and (5-12)

### Provide quality education and life experiences, inclusive to all students

- Ensure class sizes are in alignment with district and community expectations
- Provide quality childcare and preschool services for the community
- Provide curricular programs that are supportive of all student abilities
- Provide curricular programs that are challenging and inspire innovation
- Establish a Director of Instruction position

### Engage in professional, respectful, and inspiring interactions

- Attract, hire, and retain high quality employees
- Ensure staff development, mentoring, and leadership is encouraged and supported
- Provide and encourage student leadership opportunities
- Engage in strategic community partnerships

### Provide students the foundation to live a more satisfying life

- Encourage student participation in a wide variety of extra- and co-curricular programs and clubs
- Continue to provide student support services (social work, counselors, student success)
- Increase student access to scholarships and career placement
- Implement alumni engagement strategies

### Positively impact the community

- Maintain a fiscally responsible budget to ensure quality district-wide operations
- Engage the business community in special events and classroom presentations
- Engage community organizations through cooperative efforts with a common goal
- Serve as a community focal point for events, programs, and activities
