March 18, 2024

Dear Parents,

We are starting the process of setting up bus transportation for the 2024-2025 school year. For your convenience, we have attached the Transportation Request Form for you to fill out.

Every child must have a form on file. If your child does not need bus transportation, please note that at the bottom of the form.

All Forms must be received in the school office by **Wednesday, March 27th**, so that they can be sent to the appropriate school districts for processing. Any forms received after March 27th will not be processed by the districts after September 15, 2024.

If you have any questions, please feel free to contact the office at 610-866-2231

Thank you for your assistance and cooperation.

NOTRE DAME SCHOOL OF BETHLEHEM

Dear Parents,

According to Pennsylvania Law, nonpublic school children are entitled to transportation to nonpublic schools as follows:

- 1. A district, which provides transportation for resident public school students, must also make identical provisions for the transportation of resident nonpublic school students according to the nonpublic school calendar.
- Transportation for nonpublic school students must be provided to and from the nonpublic school in which the student is 2. enrolled, even if the nonpublic school is located outside the district so long as the distance is not more than 10 miles beyond the district boundaries. (NOTE: This distance may be in excess of 10 miles from a student's home.)
- A district may transport children who live along hazardous routes even though the children live within walking distance of 3. the school.

If you think you are eligible for transportation and desire it for the next school year, please complete the request form below and return it to school immediately. Thank you!

Sick Day Guidelines

Making the Right Call When Your Child is Sick:

Should I keep my child home or send him/her to school?

School policy (based on CDC recommendations) requires that a child stay home if he or she:

A child should stay home if:

- Has a fever of 100.0 degrees or higher
- Has been vomiting or has diarrhea (within 24 hours)
- Has drainage from an ear or eye (may indicate infection)
- Has a rash (until cleared by a physician)
- Is coughing or sneezing often because this spreads the sickness to others Has symptoms that keep him/her from participating in school, such as: Very tired or lack of appetite
 - o Cough that he/she cannot control, sneezing often o Headache, body aches, earache o Sore throat a little sore is OK, but a bad sore throat could be strep throat, even if there is no fever. Other signs of strep throat in children are headache and upset stomach or rash. Call your doctor if your child has these signs. A special test is needed to know if it is strep throat.
- · Other contagious diseases including pertussis, ringworm, impetigo, lice, or conjunctivitis

COVID DIAGNOSIS:

- Students may return to school on Day 6 if symptoms have resolved. (The day symptoms appear is day 0)
- Students must wear a mask for days 6 -10.

24 Hour Rule:

- Fever: Keep your child home until his/her FEVER has been gone without medicine for 24 hours. Colds can be contagious for at least 48 hours. Returning to school too soon may slow recovery and make others sick.
- VOMITING or DIARRHEA: Keep your child home for 24 hours after the LAST time he/she vomited or had diarrhea.
- Antibiotics: Keep your child home until 24 hours after **the FIRST dose** of antibiotics for anything like an ear infections, strep throat, or pneumonia.

We often have many children and adults with colds who come to school, and they pass their sickness to others. Remember to wash hands and cover coughs and sneezes. Please help others from becoming sick by keeping your child home if he/she is sick.

For more information, or if you have any questions, please contact the school office at 610-866-2231.
