

ELLICOTT HIGH SCHOOL ACTIVITIES

Ellicott Parents,

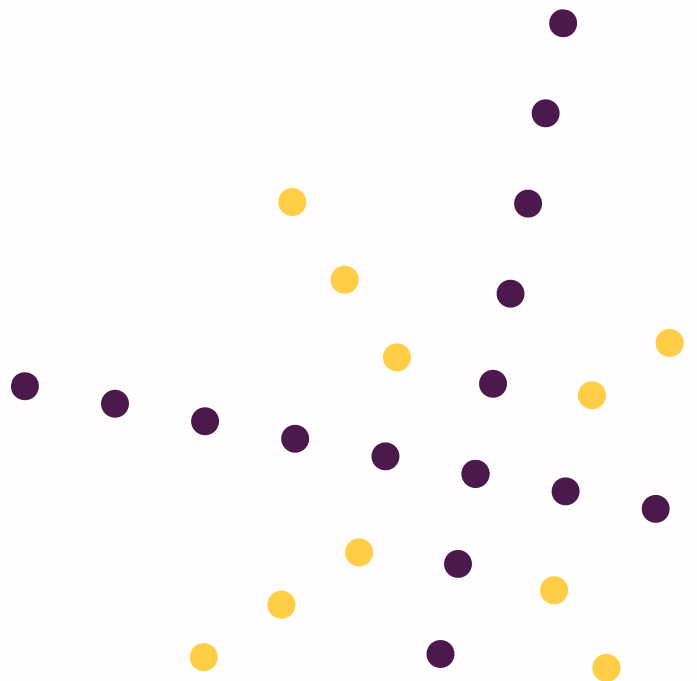

Thunderhawk Family

Welcome to the 2018-2019 school year. While your children are getting their bearings in the classroom, we wanted you to be aware of the many activities and athletics available at Ellicott High School. Fall sports include **football, boys' soccer, cross-country, volleyball, and cheer.** Our activities are not just limited to athletics. Listed below are some of the clubs and activities available at Ellicott High School. Please contact me with any questions.

Kind regards,

Jeffrey Zick
Assistant Principal/Activities Director

DRAMA

Auditions for this year's first show will be on September 4th after school on the EMS Stage. Join us this year for interpretations of some of your favorite fairy tales!

STUDENT COUNCIL

The main duties of this council are to: design and run Homecoming week and activities, facilitate all sports and other assemblies, help class officers and facilitate those elections, and lead the 8th grade tours. The council meets bi-weekly, on Tuesdays at 7:15am.

ECOLOGY CLUB

Club based on student-interest that facilitates paper recycling within the HS building. The club hopes to increase to aluminum and plastic recycling in the HS building this year.,

NATIONAL HONORS SOCIETY

A student leadership organization which emphasizes academic excellence and community involvement. NHS involvement is by invitation only at the end of the year for those who reach the academic 3.5 cumulative GPA requirement and who have an interest in serving their community .

PRINIPAL'S ADVISORY COMMITTEE

PAC is the student's voice for culture and climate at Ellicott High School. Members will meet regularly with Mr. Biga.

MARCHING BAND

Students will learn how to read complex music, perform several times a year, practice music technique in the classroom and Marching technique, and learn intermediate music theory. Students will be able to participate in Honor Band weekends at CSU Pueblo and the Black Forest league Festival

MUSICAL THEATRE

This after school club will be technique and rehearsals to lead into a Spring performance of a Musical. The students learn acting, singing, make-up, stage scenery, and lighting/sound.

SEA PERCH

Sea Perch is another extracurricular program that is free and open to students who want to learn more about engineering and design. Building and repair meetings start in December and practices in January. Competition is usually and the end of February. For more information go to <https://seaperch.org>

HIGH SCHOOL CHOIR

Students will learn how to read music, perform several times a year, practice music technique in the classroom and learn intermediate music theory. Students will have the opportunity to participate in the extracurricular groups (Glee club and A cappella). Additionally, the students will be able to participate in Honor Choir weekends at CSU Pueblo and CU Boulder where they will learn from professor at the University.

BEST ROBOTICS

BEST robotics is a program that is free and open to any students who want to learn more about robot design, programing, and construction. This will be Ellicott's first time participating in this program. The first meeting will be after school on Thursday, August 23 in Mr. Steele's classroom. For information on the program go to <http://www.frbest.org>

FUTURE BUSINESS LEADERS OF AMERICA

FBLA allows students to compete in a state and national competition. Last year, we had students compete in Baltimore.

SPORTS MARKETING

Topics included are branding, licensing, and naming rights; business functions; concessions and on-site merchandising; economic foundations; human relations; and safety and security.

SKILLS USA - CONSTRUCTION

Mr. Unruh's construction skills based team will begin meeting on September 1st..

SKILLS USA - CONSTRUCTION AND WELDING

The welding group has already begun for the 2018-19 school year.

MATCHWITS

Test your knowledge against other schools with this club. Mr. Elliott is our sponsor.
