STAFF OF THE YEAR: MRS. SANCHEZ

This October, we were able to interview the staff of the year, Mrs. Sanchez, a very welcoming, open, and hardworking staff member.

She has stated that this passion for social working is due to the fact that she enjoys saving and helping students who are going through a difficult time.

Some advice Mrs. Sanchez has for students is to “Have passion, dedication, and integrity” to bring success.

Something fun she was able to do over the summer was her traditional family trip to a big expensive house! Mrs. Sanchez described the trip as one of her favorites because of the luxury quality for the trip. She stays there for a total of 3 days, with her family playing games, enjoying food, and having an amazing time on her expensive vacation.
