## Expectations:

### Of the Student-Athlete

- Respect the integrity and judgment of the game officials. Avoid public criticism of game officials.
- Display modesty in victory and graciousness in defeat.
- Teach sportsmanship and reward/acknowledge players that display good sportsmanship.
- Learn and follow the rules of the game. Many rules have changed.
- Respect your opponent. Treat them the way you would wish to be treated, as a guest or friend; who better can understand all the hard work and team effort that is required of the participants.

### Of the Spectators

- Avoid criticism of game officials and sideline coaching which detracts from the performance of the student.
- A ticket is a privilege to observe the contest and not a license to verbally assault others.
- Learn the rules of the game, so that you may understand the game and appreciate the effort of the participants. Many rules have changed!!
- Remember that the school athletic experience is a learning experience for students and mistakes are sometimes made.
- Recognize and show appreciation for outstanding play by either team.

**Fans are not at an event to intimidate or ridicule, but to support and enjoy the competition.**

### As a parent I agree to:

1. Remember that children participate to have fun and that the game is for the youth and not the adults.
2. Inform the coach of any physical disability or ailment that may affect the safety of my child or others.
3. Learn the rules of the game.
4. Be a positive role model for my child and encourage sportsmanship by showing respect and courtesy for all players, coaches, officials and spectators at every game.
5. Not engage in any kind of unsportsmanlike conduct with any official, coach, player or parent such as booing, taunting; refusing to shake hands or use of profane language or gestures.
6. Not encourage behavior or practices that will endanger the health and well-being of the athletes.
7. Teach my child to play by the rules and resolve conflicts without resorting to hostility or violence.
8. Teach my child to treat other players, coaches and officials with respect.
9. Praise my child for competing fairly and trying hard no matter what the outcome of the game.
10. Never yell or ridicule my child or other participant for making a mistake or losing a competition.
11. Emphasize skill development, practices and how they benefit my child's development.
12. Promote the emotional and physical well-being and development of the students ahead of any personal desire I may have for my child to win.
13. Respect the officials and their authority during games and will never question, discuss, or confront coaches at the game. I will take the time to speak with coaches at an agreed upon time and place.

Thank you for your help teaching our young players about true sportsmanship.

For more information about the extra-curricular activities our school district offers visit the Minooka CCSD #201 Athletics website [Minooka 201 Athletics](#) . To view the athletics and extra-curricular activities click the Tryout Information link [Tryout Information](#) as it shows all of the athletic and extracurricular activities, schedules, and required forms and documents. Additional questions should be directed to the Athletic Director at Minooka Junior High School.

Every child is given a student handbook at the beginning of the school year. Within the first week of school the last page of the handbook is required to be turned in with a parent and student signature acknowledging comprehension of the rules and guidelines the school district and Board of Education have established. The Athletic portion from the 2024 - 2025 student hand book has been copied below.
