### **Student and Family Privacy Rights - [Policy 2140](#) and [Policy 2140F](#)**

### **School Closure - [Policy 2210](#)**

School closures will be announced through a district-wide communication on phones or email. They are also found on the district website, Facebook, and Instagram. Announcements are also made over the local TV stations KREM, KXLY and KHQ. Be aware that Lakeland School District may issue a 2-hour delay due to extreme road or weather conditions.

### **School Notices**

Parents may receive information through school communication apps regarding notices about early dismissal, parent/teacher conferences, and other activities. Communication information may also be communicated through online means including the district website, email and phone. Staff and administration rely on these forms of communication to keep parents fully informed and included in our many activities. Please review all notices.

### **Student Pictures**

Each year a commercial photographer will take individual and/or group pictures. A note will be sent home notifying parents of the day pictures will be taken and any purchasing package that may be available.

### **Technology**

Chromebooks will not be checked out to students to take home, unless granted permission by the building principal. The Lakeland Joint School District Student Technology Damage Replacement Program has been established to give parents the ability to purchase coverage for the 1:1 Technology Implementation Initiative for the current school year. This is a voluntary program. Families are encouraged but not required to participate. Please visit your child's school for more information. (Regardless of opting-in or out of the program, all students are expected to uphold the expectations outlined in our District's Acceptable Use Policy.)

### **Textbooks, Workbooks, Library Books**

Books that are checked out to students become their responsibility. Lost or damaged books must be paid for and students will be assessed the cost for repairs or replacements.

### **Animals-[Policy 2375](#)**

Service animals will follow district [Policy 2375 - Service Animals in Schools](#). Any other animal will not be allowed at school without permission from the building principal.

### **Parental Rights- [Policy 2425](#)**

If a parent has an objection to the District's implementation of various mandates through the District's practices, policies and procedures, the appropriate avenue for the parent is to first seek to address such concerns through communication with the school's administration. Should that avenue not resolve the situation, a parent is free to address such concerns with the Board of Trustees in conformance with Board policy regarding public participation at Board meetings.

### **Advanced Opportunities - [Policy 2435](#)**

To update curriculum and align with Lakeland High School, Timberlake High School will discontinue the advanced diploma option for students who graduate after the class of 2019. Advanced opportunities pathways will be implemented in the fall of 2019. Advanced opportunities allocates \$4,125.00 to each student to use toward dual credit/IDLA courses/AP Exams/CTE Certification Exams. Students who complete the following credits will be recognized at graduation.

1. College/University pathway: College level courses which satisfy both high school and college requirements are available to qualifying juniors and seniors choosing this pathway. Students have access to numerous college credits on our campus paid for by the state of Idaho. Seniors completing 12 college credits will be given a silver cord to wear at graduation. Seniors completing 25 college credits will be given silver and maroon intertwined cords to wear at graduation.
2. Career/technical pathway. Students can choose to access coursework to earn industry certification in several career fields through KTEC(Kootenai Technical Education Consortium). Students can also earn technical competency credits in classes offered on our campus. Seniors completing 700 hours of coursework with an 80% average or higher and passed the industry certification exam will be given an intertwined black and silver cord to wear at graduation.

### **Selection of Valedictorian and Salutatorian**

The Secondary Building Leadership Team discusses and determines the valedictorian(s) and salutatorian(s).

Criteria for the selection process are listed below:

- The overall grade point of the student. (Weighted and unweighted GPA will be considered)
- The grade point in the four major academic areas.
- Emphasis will be placed on 4 years of mathematics, social studies, English, and science.

- Service to school and community.
- Overall rigor of all coursework.

### **Honor Roll**

There will be an honor roll and high honor roll for each semester grading period. High honors require a GPA of 3.75 and honors require a GPA of 3.5 in academic subjects. Any student receiving any grade of “F” or “D” will be excluded from the honor roll.

### **Weighted Grades**

The weighted grading system is intended to encourage students to pursue a more rigorous high school curriculum, therefore becoming better prepared to be successful in college. By placing weight on Honors and Dual Credit classes there is added incentive to take Honors and Dual Credit classes as taking these classes could result in a potentially higher grade point average. The weighted system will be implemented as outlined below:

<u>Weighting</u>	<u>Traditional Class</u>	<u>Honors/Dual Enrolled Class</u>
“A” Grade	4.0 Grade Points	4.5 Grade Points
“B” Grade	3.0 Grade Points	3.5 Grade Points
“C” Grade	2.0 Grade Points	2.5 Grade Points
“D” Grade	1.0 Grade Points	1.5 Grade Points

Classes that would qualify for weighting:

- English 1-4 Honors
- Math Honors Classes
- AP US History
- All “Non Activity” based College Dual Enrollment Classes

### **Academic Letter**

A full time student will receive an academic letter or pin after each semester when your semester GPA is 3.75 or above based on a minimum of six classes. The first time that you qualify for the academic letter you will receive the actual letter. For each semester you qualify for this award after the initial semester you will receive an academic pin.

## **SCHEDULING INFORMATION**

Refer to the graduation list of requirements on the following page to help you in planning your coursework toward graduation, and more importantly, your future career. We encourage you to include your parents/guardians in your decision making process. Counselors, teachers, and administrators are available to assist you, do not hesitate to ask them questions.

**Field Trips** - [Policy 2550](#)

Field trips shall be permitted providing their purpose supplements and reinforces the objectives and materials of the unit being taught. Only district-approved transportation shall be used on field trips. **Siblings, preschool students, or others who are not enrolled in the class will not be allowed to attend.** Students who require that medication be administered during the field trip should have a parent accompany him/her if at all possible. Students who have exhibited unsafe behavior at school may be required to be chaperoned by a parent in order to attend the field trip.

### **Gifts**

Bringing birthday gifts (balloons, flowers etc.) to school is highly discouraged. These gifts are a distraction to instruction, and will not be delivered to classrooms or allowed on school buses.

### **Grade Status - [Policy 2610](#)**

Each high school student will be identified with grade status. Students wishing to be recognized as Sophomores, Juniors or Seniors must successfully complete the minimum coursework to be advanced. The grade status of each student may be adjusted with principal approval.

- Sophomore grade status must have earned a minimum of 10 credits
- Junior grade status must have earned a minimum of 20 credits
- Senior grade status must have earned a minimum of 32 credits

### **Grading Periods - [Policy 2620](#)**

Only semester grades become a part of a student's permanent record. Semester report cards will be issued on the Friday following the end of each semester. Marking systems vary with individual teachers; however, letter grades are used in all classes and have the following numerical values:

A = 90 – 100	D = 60 – 70
B = 80 – 90	F = below 60
C = 70 – 80	P = passing

### **Homework - [Policy 2630](#)**

Learning is not restricted to the classroom. Homework may be expected to help achieve educational goals. The assignments will be left to the discretion of the teacher.

### **YOU ARE RESPONSIBLE FOR MEETING ALL GRADUATION REQUIREMENTS - [Policy 2700](#)-** **This policy is currently under review and will be finalized in Sept 2023**

It is the responsibility of every student to be certain that he/she has met all Idaho and Lakeland School district graduation requirements. Each student will receive a 'course offering' brochure when pre-registering in the spring. Counselors are here to help and advise students in meeting

these standards. Graduation requirements/course offerings are available upon request in the office and from counselors.

Students who reside in our district and are seeking a Lakeland or Timberlake High School Diploma are expected to enroll as full-time students at LHS or THS. If a student is dual enrolled, they are considered a non-diploma seeking student, unless they are taking classes from an outside educational provider for credit recovery. The non diploma seeking student could decide at any time from their freshman year up until the start of their senior year to move from non-diploma seeking to diploma seeking by enrolling as a full-time student at LHS or THS. If a student continues to dual enroll as stated above, past the start of their senior year, they will be categorized as a non-diploma seeking student at LHS or THS even if they enroll full-time the spring semester of their senior year.

You cannot receive your diploma or go through the graduation ceremony until you have met all the requirements. Carefully check the entrance requirements for the university of your choice and talk to your counselor or College and Career Advisor if you have a question. In addition, if you plan on playing college athletics, make sure you are in compliance with NCAA clearinghouse regulations.

Athletes and students involved in other IHSA extracurricular activities are reminded that in order to be eligible, passing grades must be received in five full credit subjects. Students attempting to regain eligibility for sports must have completed the required 5 credits by the beginning of the semester during which the sport occurs. Students who participate in sports at the high school level will be granted up to two semesters or two credits of PE, one credit for each completed sports season. PE may still be taken for elective credit.

## **ACTIVITIES**

### **Academic Eligibility For Extracurricular Activities - IHSAA**

To be academically eligible for athletics and activities, a student must be enrolled full-time in his/her school, on target to graduate based on State Board of Education graduation requirements, and have received passing grades and earned credits in the required number of courses during the previous reporting period. Equivalency is determined by the following criteria:

- 6 classes available, students must pass at least five
- A. Students participating with a cumulative GPA below 2.0 must have an academic improvement plan in place as developed by the local school district. This plan must include monitoring, additional assistance, time provided for assistance, and an appropriate timeline. The list of students that fall within this category will be provided to the counselors for aid in the development and monitoring of this plan. (The number of students with an academic improvement plan will be reported on the Eligibility Verification Report)
- B. Clarify that being “on target to graduate by State Board of Education requirements” means: a student not having the necessary number of credits to graduate with their class through the normal school day program, must have a graduation plan that provides for receiving a diploma by the end of the summer following their senior year in order to be eligible for activity participation. Effective for the class of 2010. (The number of students with a graduation plan will be reported on the Eligibility Verification Report.)
- C. Student athletes that are off campus full time (NIC or IDLA) must be registered for the equivalent full time credit amount. If a student withdraws from classes that make their schedule less than full time at any, they will be ineligible to participate.
- D. Schools may adopt stricter academic eligibility policies.
- E. All student athletes participating in IHSAA athletic activities are required to purchase an ASB card.

Extracurricular activities are a part of our total school program, but a student's first responsibility should be to keep up with his/her regular class work. Participation in student activities is a privilege and is subject to the following academic guidelines:

- Students must meet Idaho High School Activity Association academic eligibility standards before the start date of the sports season in order to participate in that sport.
  1. Students must earn five academic credits the previous academic semester.
  2. Students with a cumulative grade point average under 2.0 must participate in an academic improvement plan.

During the sport season, students must be passing all classes to compete in extracurricular activities. For the purpose of extracurricular eligibility student grades will be checked every Monday morning. If an athlete is failing, that athlete will be ineligible for competition until the grade is passing.

### **Entrance, Placement, and Transfer - [Policy 3000](#)**

Idaho State Statutes require that every child registering in kindergarten must be five (5) years of age on or before the first day of September. A child enrolling in first grade must be six (6) years of age on or before the first day of September. Proof of age will be required at the time of registration. Any 5 year old child who has completed a private or public out-of-state kindergarten for the required 450 hours but has not reached the school age requirement in Idaho shall be allowed to enter the first grade.

Parents of all kindergarten students and new students to the district must present a **certified copy** of a birth certificate and immunization record at the time of registration.

The child's legal name must appear on all registration forms. However, the school will respect the wishes of the parents or guardians as to what name shall be used by the child at school.

### **Proof of Residency - [Policy 3020P](#)**

All students new to the district will be required to verify proof of residency within their attendance zone by providing a current utility bill and a current mortgage/rental/lease statement.

1. A comprehensive record system of student attendance will be maintained by the school. The principal is responsible for submitting attendance information to the Superintendent's office quarterly.
2. The principal may schedule a parent conference to discuss attendance problems.
3. Any student who misses more than a maximum of 18 days during a school year may be considered for non-promotion. Such children shall be referred to the building Attendance Review Committee. This committee shall be composed of the student's homeroom teacher, the principal, and at least one other staff member (selected by the principal) who knows the student, i.e., the Title I teacher, Resource Room teacher, or another classroom teacher. The committee shall meet and review the student's attendance and academic performance and then make a recommendation in writing to the student's parents within 10 calendar days of the meeting. Possible recommendations

may include, but are not limited to: retention, probation, home visitations by the school nurse, or referral to the District Court, pursuant to Idaho Code 33-206, which may result in legal action against the parent.

### **Tardies**

Tardiness is part of attendance. Dependability and punctuality are virtues. Being on time, whether to class, work, or an appointment is an important habit to establish. We feel it is our job to instill in our students sound work ethics. In school, tardies also result in unnecessary disruptions to class. Tardies are recorded in attendance records. Students are to be considered tardy if they are not in their classroom when the tardy bell rings. Students must check in at the office before going to class if they are tardy. Students with excessive tardiness may be required to make up the time during lunch or after school.

### **Attendance Guidelines - [Policy 3050](#)**

Lakeland School District recognizes that regular school attendance contributes to successful student achievement. Regular and punctual patterns of attendance are expected of each student enrolled in the district. Days lost from school cannot be made up, even if the classwork and homework are done. There is no substitute for uninterrupted personal contact between teacher and student.

Attendance at school is a shared responsibility of the parent(s)/guardian, student, and school personnel. The principal shall be responsible for the implementation and enforcement of the district student attendance policy.

If a student becomes ill at school, parents will be contacted so that they may arrange transportation home. The student's emergency information is used for parent contact. It is important that you inform the school office of any phone or address changes throughout the year.

If possible, have dental and medical appointments before or after school, or on non-school days.

**Please, if your child will be tardy or absent, call the school office by 8:00 a.m.**

### **Bicycles/Scooters/Skateboards/Wheeled Shoes**

A student who rides a bicycle or scooter to school should be old enough to understand the responsibility involved. The student is expected to park and lock the bicycle or scooter in the stands that are provided and leave it there for the duration of the day. **Bicycles, scooters and skateboards etc. must be walked on all school sidewalks and campus areas. Students are not allowed to wear "wheeled shoes" (such as Heelys) on school grounds. Wheels must be taken out of the shoes in order to wear on school property.**

## **Dress and Grooming - [Policy 3255](#)**

The Board of Trustees provides an educational atmosphere conducive to learning while minimizing disruptions and/or distractions; to protect the health, safety, and morals of our students.

Matters of dress remain primarily the responsibility of students, in consultation with their parent(s) or legal guardian(s). All students are required to adhere to the standards of dress when the student is on any school premises or at any school sponsored activity, regardless of location. The wearing, using, or displaying of evidence supporting membership or affiliation with any gang is prohibited on any school premises or at any school sponsored activity.

## **Emergency Information**

In case a student becomes ill at school, parents will be contacted so that they may arrange transportation home. It is important that the emergency information in Skyward is complete and updated as needed so we will know how to reach you. Please keep it updated if you change employment, homes, or cell phone numbers.

## **Telephones and Cell Phones - [Policy 3265](#)**

Students are welcome to use the classroom or office phone for matters relating to school. It is not available for social or personal issues. Because of the potential for disruption and/or distraction, electronic devices including cell phones are not to be used on school campuses and should be turned off and stored in backpacks during the school day. The photo options on cell

Any student may file a discrimination grievance. No student shall, on the basis of sex, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

In light of Lakeland's philosophy and objectives, the District's code of conduct shall be fair, consistent, nondiscriminatory, and protective of student rights and responsibilities. Lakeland Joint School District #272 does not discriminate or deny services on the basis of age, race, religion, color, national origin, sex, and/or disability.

In order to meet the varied needs of elementary and secondary schools within the Lakeland School District, the Board of Trustees recognize the need for the individual rules and regulations that will supplement the Board's policies. School and classroom disciplinary rules shall have the force of policy when appropriately applied.

While on school property or under the supervision of school authorities, students shall be subject to the direction of school officials and shall at all times be subject to the rules, regulations, and policies of the District, along with the rules of individual schools and classrooms. Student handbooks may contain a synopsis of school district rules, regulations, and policies. Such policies, verbatim, have been reduced to writing and made available at the building principal's office, the district's website, and district administration office for review by students and/or parents.

The child's legal name must appear on all registration forms. However, the school will respect the wishes of the parents or guardians as to what name shall be used by the child at school.

In the situation that cyber bullying originated from a non-school computer, but has been brought to the attention of school officials, any disciplinary actions shall be based on whether the conduct is determined to be reasonably expected to materially and substantially interfere with or disrupt educational environment of the school or impinge on the rights of other students at school and/or in violation of District policy or state law. ### **Procedural Due Process**

A student’s right to fair treatment and due process shall be safeguarded through a consistently applied practice of informing the student of any alleged rule violation and the evidence against him or her (notice), and by allowing the student an opportunity to explain his or her version of the facts (hearing) before deciding on or imposing any punishment.

Upon request the hearing process may be extended to a “higher authority”. The normal channel for hearing complaints or concerns regarding student discipline shall be from Student to Teacher to Principal to Superintendent to School Board. Neither the Board as a whole nor any individual member will entertain or consider communications or complaints from students or parents until they have first been referred to the building principal or Superintendent of Schools.

### **Drug Free Environment /Chemical and Substance Abuse - [Policy 3300](#)**

No tobacco, drugs or alcohol are permitted on school property. This is in compliance with a State Board of Education regulation. Clothing with drug (alcohol and tobacco) advertisements is not permitted to be worn at school.

Because the district believes that the use of drugs and alcohol is both illegal and harmful, students are prohibited from drinking, delivery of, or being in the possession of, or under the influence of alcoholic beverages, or being in the possession of, delivery of, or under the influence of drugs as herein defined, or other intoxicants on school property or while under the supervision of school authorities. “Drug” means (1) substances recognized as drugs in the official United States Pharmacopoeia, official Homeopathic Pharmacopoeia of the United States, or official National Formulary, or any supplement to any of them; (2) substances intended for use in the diagnosis, care, mitigation, treatment or prevention of disease in man or animals; (3) substances (other than food) intended to affect the structure of any function of the body of man or animals; and (4) substances intended for use as a component of any article specified in clause (1), (2), or (3), of this subsection. It does not include devices or their components, parts, or accessories. (However, possession of drug paraphernalia may be cause for disciplinary action). A drug shall also include a counterfeit or pseudo drug which shall be defined as any substance which, or the container or labeling of which, without authorization, bears a likeness and is intended by the possessor or deliverer or recipient to represent a drug, whether or not the substance is actually a drug as her-in-above defined.

This policy is progressive for the student’s entire school career. Students who violate the drug and alcohol policy may be subject to the following disciplinary actions:

**First Offense:** An out-of-school suspension of up to five days with a parent conference and zeros for the days missed. A report to the Superintendent may result in a show cause hearing and/or recommendation for expulsion:

**Second Offense:** A second offense involves a second event that results in violation of this policy. The first occurrence may have happened previously in a student’s school career in this or any School District. Suspended and referred to the Superintendent for a show cause hearing of whether the student should be referred to the Board of Trustees with a recommendation for expulsion.

However, any student who knowingly sells, delivers or otherwise provides drugs as herein

defined or other intoxicants to another student at school or while under supervision of school authorities shall be immediately suspended and referred to the Superintendent for a show cause hearing of whether the student should be referred to the Board of Trustees with a recommendation for expulsion.

In all substance abuse cases where a student is reasonably suspected to be in violation of this policy, (regardless of any previous voluntary disclosure), the appropriate law enforcement officials shall be notified with a request to have a law enforcement evaluation for possible transfer to custody pursuant to Idaho Code 20-516.

Students are prohibited from using tobacco or being in the possession of tobacco products on school grounds or while under the supervision of school authorities. Violations of this policy will be punishable as follows:

- (2) the second offense shall result in a three day out-of-school suspension with a parent conference and zeros for the days missed; and
- (3) the third offense shall result in the student being suspended and referred to the Superintendent for a show cause hearing of whether the student should be referred to the Board of Trustees with a recommendation for expulsion.

Any person, including a student, is prohibited from threatening, by word or action, to use a firearm or other dangerous weapon to do violence to any other person on school grounds. The threat would be a statement or act intending to communicate a serious expression of intent to commit unlawful violence on school grounds.

An individual that makes such a threat will be subject to appropriate disciplinary action which may include: reporting to legal authorities and limiting access to school property. Students may receive the same punishment and/or additional school based discipline, up to, and including suspension/expulsion.

### **Expectations**

The Lakeland Elementary Schools' emphasis is on student growth: academic and developmental. We believe all students can behave appropriately while at school. We will allow no students to stop the teacher from teaching or prevent other students from learning.

We believe our emphasis on the rights and safety of all our students will produce a more productive and positive place to learn and grow. To benefit from good discipline, a school must have disciplinary rules: (1) that are known to everyone, (2) that are consistently enforced by all staff, (3) that are clearly understood, and (4) that are supported by parents.

We would like to request that you and your child review this discipline philosophy and the school rules. Thank you for taking the time to read and discuss this information with your child.

All students shall:

- Follow school/classroom rules and directions.
- Be punctual and regular in attendance.
- Complete assignments and use time effectively.
- Respect the rights and property of others.
- Be courteous and polite.
- Practice self-control.
- Work to the best of his/her ability.

## **Freedom of Expression and Assembly**

Student rights and responsibilities shall be based on the following assumptions:

- That the right to attend school is purposeful.
- Students are free to exercise their constitutionally protected rights but shall not infringe upon the rights of others.
- Fair treatment and due process, where appropriate, shall be guaranteed to all students.

The Board of Trustees and the school administration believe that genuine student involvement in educational programs requires responsible student action. Students shall be expected to act with respect for school regulations, concerns for others, and personal dignity. Students are encouraged to express their beliefs and feelings but not in a manner that is disruptive or degrading to others.

## **Academic Honesty - [Policy 3335](#)**

All schoolwork submitted for the purpose of meeting course requirements must represent the efforts of the individual student. Any form of academic dishonesty is prohibited.

## **Suspension and Expulsion - [Policy 3340](#)**

Suspension is the temporary removal of a student from school when circumstances are such that he/she can no longer be kept in school without risk of detriment to the educational program, to himself, to others, or to public property. The primary purposes of suspension are to give the student, his parents, and the school the time needed for resolving a problem and the protection of life and property. The parents must be notified of each suspension. If suspension occurs during school hours, contact with the parent should be made before the student leaves the school grounds.

When a student refuses or fails to submit to reasonable and ordinary rules of order and discipline in such a way that his/her continued attendance may be expected to interfere with the educational program or the safety or welfare of school personnel or other students, such student may be suspended for up to five (5) school days according to suspension procedures as authorized by law.

Expulsion is the removal of a child from enrollment in the District schools by the Board of Trustees.

When deemed appropriate, the principal shall make a recommendation for expulsion in writing to the Superintendent of Schools. This recommendation shall be documented by a history of the student's general behavior, all previous suspensions, if any, a chronological account of the unacceptable behavior, plus the academic and attendance history of the pupil.

If after a study of the case by the Superintendent of Schools it is deemed advisable to expel the student, the Superintendent shall present the study and recommendations to the Board of Trustees for action. Any expulsion hearing that is set before the Board of Trustees shall be conducted in a manner consistent with the procedures outlined in Idaho Code 33-205. (Denial of School Attendance), as now in effect or hereafter amended.

Willful disobedience, open defiance of the teachers' authority, or the use of profane or obscene language are sufficient cause for appropriate disciplinary action.

All students while on the premises of any school, riding any school conveyance, or attending any school sponsored activity shall be responsible to and under the authority of any employee of the school district and shall immediately respond to any reasonable request of said employee.

### **Guest Teachers' Authority**

Guest teachers are employees of the district and should be treated with respect. Students should submit to a guest teacher's authority and direction.

### **Restraint - [Policy 3345](#)**

As a part of the emergency procedures in place in our schools, any student who poses an imminent risk of injury to him/herself or others may be physically restrained and/or placed in seclusion by school staff in accordance with School Board policies. As soon as possible after any such incident the parents or guardian will be informed when any of these actions have occurred.

School lockers, books, equipment, or other items belonging to the school shall be considered on loan to a student and school officials shall have the right to inspect such items at any time. Any dangerous items or illegal material found in the possession of or subject to the immediate control of a student may be confiscated. Other appropriate disciplinary measures may also follow including referral to appropriate law enforcement officials.

### **Philosophy And Code For Interscholastic Activities**

#### **Discipline Regarding Interscholastic Activities - [Policy 3380](#)**

To implement and teach the philosophy, the following rules are established for participants to observe and follow. The student shall:

1. Attend classes regularly, strive for academic achievement, and set positive examples in the school and community with his/her personal conduct.
2. Attend school the entire day before practicing or competing inter scholastically unless special permission for an absence has been granted in advance by the principal. School district assumes membership in the Idaho High School Interscholastic Activities Association and thereby recognizes and accepts the constitution, bylaws, rules, and regulations of the association as currently adopted, or thereafter amended (IHSA "rules"), for the governing of all high school (grades 9-12) inter-scholastic activities for Lakeland schools, which IHSA "rules" are incorporated herein as a part of this Philosophy/Code. Said rules as appropriate for grades 7 and 8 shall by this policy also govern interscholastic activities and student participants in grades seven and eight.

All school policies are followed at assemblies and dances. Infractions are dealt with in the usual manner. Student behavior at these events is subject to the same guidelines as during the school day. Students will be expected to sit in their assigned areas during assemblies.

### **Dances**

- Doors and admittance to the dance will be closed one half hour after the start of the dance. Once you leave the dance you will not be allowed to re-enter.

### **Drug/alcohol Testing for Students in Activities - [Policy 3400](#)**

A program of deterrence is hereby instituted as a proactive approach to a drug free school. Through participation in extracurricular activities, students using illegal drugs pose a threat to their own and other persons health and safety while sending a negative message to the student body, patrons of the district, and the public. The purpose of this program is three fold: (1) to provide for the health and safety of all students; (2) to undermine the effects of peer pressure by providing a legitimate reason for students to refuse to use illegal drugs; and (3) to encourage students who use drugs to participate in drug treatment programs. Students involved in extracurricular activities as ambassadors of the District need to be exemplary in the eyes of the community and other students. It is further the purpose of this program to prevent students from participating in extracurricular activities while drug residues are in his/her body, and it is the purpose of this program to educate, help, and direct students away from drug and alcohol abuse, and toward a healthy and drug free lifestyle. The drug testing program is designed to

create a safe, drug free lifestyle for students and to assist them in getting help when needed. No student shall be expelled or suspended from school as result of any verified “positive” test conducted by his/her school under this program other than stated herein.

#### **Recess Periods** - [Policy 3504](#)

School policy allows all children an opportunity to participate in recess except on days of extreme, inclement weather. Modifications may be implemented. It is important that parents keep the changing seasons in mind when it comes to clothing. As the colder weather approaches, hats, heavy coats, mittens/gloves, and boots should become a part of every student's wardrobe.

We believe that if children are well enough to attend school, they should go outside during recess. There are rare exceptions to this policy, but we ask that you help us by keeping seriously ill children home. If your child does need to stay in for medical reasons concerning health, please have a note from your physician.

#### **School Notices**

Parents may receive information through school communication apps regarding notices about early dismissal, parent/teacher conferences, and other activities. Communication information may also be communicated through online means including the district website, email and phone. Staff and administration rely on these forms of communication to keep parents fully informed and included in our many activities. Please review all notices.

#### **School Parties**

In the elementary schools, class or room parties are permissible during the last hour of the school day. Three parties may be scheduled throughout the year to minimize loss of instructional time.

Parents may be requested to assist teachers with these parties. In order to maximize this opportunity, children not enrolled in our school will not be able to attend school with volunteering parents. Invitations and transportation for private parties should be handled outside of the school environment. If a child wishes to share a birthday treat with her/his class, please contact the teacher for permission. **According to District guidelines, treats must be purchased and the contents clearly labeled on the packaging.**

### **Student Pictures**

Each year a commercial photographer will take individual and/or group pictures. A note will be sent home notifying parents of the day pictures will be taken and any purchasing package that may be available.

### **Technology**

Chromebooks will not be checked out to students to take home, unless granted permission by the building principal. The Lakeland Joint School District Student Technology Damage Replacement Program has been established to give parents the ability to purchase coverage for the 1:1 Technology Implementation Initiative for the current school year. This is a voluntary program. Families are encouraged but not required to participate. Please visit your child's school for more information. (Regardless of opting-in or out of the program, all students are expected to uphold the expectations outlined in our District's Acceptable Use Policy.)

### **Textbooks, Workbooks, Library Books**

Books that are checked out to students become their responsibility. Lost or damaged books must be paid for and students will be assessed the cost for repairs or replacements.

### **Toys of Violence**

We ask that **NO** toy weapons be brought to school for any reason. This includes not bringing them for show and tell.

### **Head Lice - [Policy 3520](#)**

The school district has adopted a "nit free" policy – any student contracting head lice will be excluded from school until the school nurse, and/or principal determines the child is "nit free".

### **Immunization Information - [Policy 3525](#)**

All students in grades Pre-K-12 must show proof of immunization at the time of school entrance. Documentation must include the date and type of each dose administered and must be stamped by the physician or the health department. A copy will be placed in the student's permanent file.

Minimum immunizations required by Idaho law are not the same for all ages. Please refer to the health services and immunization section below for detailed requirements as they pertain to your child's age.

Students will not be able to attend school without one of the following: 1) proof of completed immunizations, 2) verification of an immunization plan in progress, 3) a “certificate of exemption”, which must be signed by a parent or guardian. (“Certificate of exemption” forms are available in each of the school offices).

1. A school nurse is available at each building weekly.
2. The school nurse will not be offering immunizations prior to school entry or during the school year. They should be taken care of by your family physician or the public health nurse at their immunization clinics.
3. State law and Lakeland Joint School District requires proof of immunizations, which must be presented to the school prior to entry. Minimum immunizations required by Idaho law are: **Pre-School, Kindergarten, and First grade students, 5 doses DTP, 4 doses Polio, 2 doses MMR and 3 doses Hepatitis B. Second through Twelfth grade requirements are: 5 doses DTP, 4 doses oral Polio, 2 dose MMR; Three doses of Hepatitis B are required for all children born after November 22, 1991.** If you have any questions, please feel free to contact the school nurse at the District Office (687-0431).
4. Health records are kept by the school on each student.
5. Medication should be administered at home whenever possible. If it is necessary to administer any medicine during school time, an Authorization for the Administration of Medicines form must be filled out. This form is provided by the school nurse or office secretary. **Prescription or over-the-counter medicine is never to be sent to school with a student** with the exception of a metered dose inhaler or dry powder inhaler to alleviate asthmatic symptoms, prescribed by a physician to be self administered. The prescription must be on file with the school office. Medicine must be brought to the office in the original bottle with the student’s name. All medicines are kept in and dispensed from the office.

#### **Insurance and Student Injuries - [Policy 3540](#)**

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and a part of the growing-up process our children go through.

Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school.

The school district does not provide medical insurance to automatically pay for medical expenses when students are injured at school. This is the responsibility of the parents or legal guardians. The district carries only legal liability insurance.

The district does make student medical insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are handed out at the beginning of the school year, and are available at the school office.

#### **Student Records - [Policy 3570F1](#)**

## **Student Data Privacy and Security- [Policy 3275](#)**

### **Visitors - [Policy 4140](#)**

Parents are always welcome to visit school. We ask that you contact the principal and classroom teacher in advance. For the security of students, **all visitors** are asked to sign in and out at the main office. A visitor's pass will be given to every visitor to wear while at our school. A government issued picture I.D. (Driver's License) will be required for processing before being admitted into areas of the school where children are present. Students are not allowed to have other children visit them during the school day.

### **Parent Right-to-Know Notices - [Policy 4160](#)**

### **Registered Sex Offenders - [Policy 4420](#)**

The Lakeland Joint School District recognizes the danger sex offenders pose to student safety. Therefore, to protect students while they travel to and from school, attend school or at school-related activities, the District is implementing this policy. In addition, software that scans all available state sex offender registries is on-site at elementary and junior high schools. This requires visitors to have state or federal issued identification.

State law prohibits a person who is currently registered or is required to register under the sex offender registration act to:

1. Be on or remain on the premises of a school building or school grounds when the person believes children under the age of eighteen (18) years are present.
2. Loiter on a public way within five hundred (500) feet of school grounds or a school building when children under the age of eighteen (18) years are present.
3. Be in any vehicle owned, leased or contracted by a school to transport students to or from school or school-related activities when children under the age of eighteen (18) years are present in the vehicle.
1. Reside within five hundred (500) feet of a school, unless the person's residence was established prior to July 1, 2006.

Provided, however, section numbers 1 and 2 immediately above shall not apply when the person:

- A. Is a student in attendance at the school; or
- B. Is attending an academic conference with school officials as a parent or legal guardian of a child who is enrolled in the school and is participating in the conference; or
- C. Is attending a scheduled school event with school officials as a parent or legal guardian of a child who is enrolled in the school and is participating in the school event; or
- D. Resides at a state licensed or certified facility for incarceration, health care or convalescent care; or
- E. Is picking up a child or children or dropping off a child or children and the person is the

- child or children's parent or legal guardian; or
- F. Is temporarily on school grounds, during school hours, for the purposes of making a delivery involving mail, food or other necessary delivery.

### **Process**

Whenever possible all visitors or patrons entering a school campus must produce an ID to be scanned. This includes all deliveries during school hours. Appropriate software will compare the ID with state sexual offender registries. If alerted a registered sex offender will not be allowed in the building unless accompanied by an administrator.

A student attending school that is a registered sex offender will not be allowed to attend or participate in after hour school activities unless approved by the school administration.

A parent or legal guardian that is a registered sex offender will not be allowed on school property unless attending an academic conference or school event, in which their child is participating, or they are transporting their child to and from school, and then only after notifying the school principal and receiving permission.

Normally, a delivery person that is a registered sexual offender will not be allowed on school property. In exceptional circumstances, they must be accompanied by school personnel.

If a sex offender violates this policy, school officials shall immediately contact law enforcement.

### **Volunteers - [Policy 4600](#)**

Our school welcomes volunteers. They enhance our programs and are a valuable resource. We need volunteers to help in the library, office, classrooms, and to work on special projects and activities. If you are interested in volunteering, please contact your child's teacher. When you volunteer, please sign in at the school office. The same identification procedure used for visitors will be utilized for all volunteers. You will be provided with a pass that must be worn for proper identification. In order to maximize this opportunity, preschool children will **not** be able to attend school with volunteering parents.

Violation of any of the following rules shall result in appropriate disciplinary measures.

1. While riding, students shall keep all parts of the body and any personal objects inside the bus.
2. Students shall not use profanity or obscene language or gestures or cause excessive noise.
3. Students shall avoid "horseplay" at all times by keeping hands, feet, books, or other objects to one's self.
4. Students shall not use or be in possession of tobacco, alcohol, or drugs.
5. Students shall not throw objects on, from, or into the bus nor litter on the bus.

Without permission, students will be required to go home as usual. Busing is not provided for students for personal business (i.e. scouts, birthday parties, spending the night with friends, etc.).

**Removing a Student from the Bus:** The bus driver **WILL NOT** release any student from the bus without authorization from the office. Parents must get a bus pass from the office to present to the driver.

**Accidents**

Students should report to the office or teacher any accidents occurring from the time the child leaves home in the morning until he/she returns in the afternoon. In case of the necessity of a doctor visit due to an accident at school, parents should notify the school office. **Please be sure to complete the emergency contact information at registration and update as needed so we know whom to contact in case of an emergency.**

**Lunches/Snacks - [Policy 8200](#)**

- Ensure that celebrations that involve food during the school day be limited to no more

than one party per class per month and that each party include no more than one food or beverage that does not meet nutrition standards for Smart Snacks in Schools. The District will disseminate a list of healthy party ideas to parents and teachers.

- [Note: The USDA has no role in regulating foods brought from home, but school districts are required to set nutrition guidelines for foods served at school other than those that are sold. The Smart Snacks in Schools regulations only affect foods that are sold on school grounds during the school day. Time honored traditions like treats for birthdays, or foods at an after school sporting event, are not subject to those standards.];

BASE stands for: Before & After School Enrichment. BASE offers on-site childcare at Garwood and Athol before and after school, Monday - Friday.

BASE is a sustainable program which is funded, supported, and maintained by family fees. BASE accepts eligible ICCP recipients; we are an Idaho State licensed childcare provider. BASE is designed to provide quality and affordable care in a safe and familiar school setting. We open and accept children at 6:30am until the school day begins. After school, we are open until 6:00pm. Hours are strictly enforced.

BASE provides opportunities for each student to have fun experiences conducive to his or her academic, social, and physical development in a format that is more casual than the regular school day. In order to attend BASE, children must independently take care of his or her toileting, grooming, and eating. Every child must be able to function in a group setting without additional adult supervision.

All staff members receive an enhanced criminal background check and are CPR/First Aid certified. BASE professionals come to us from varied backgrounds. They have experience as teachers in childcare centers, classroom aides, coaches, leaders of youth groups and more. BASE staff has ongoing professional development through training that covers specialized topics such as child development, organizational skills, safety issues, activity planning, first aid, legal issues, and other topics that enhance their already stellar childcare skills. We hire those who have a passion for seeing children succeed and grow. Your child matters to each of our staff members.

BASE is open on all regular school days. BASE PLUS is an option on many teacher in-service & conference days, as well as on most school vacation days, for an additional charge. Be sure to watch for information regarding BASE Plus at your child's site. We also have a BASE Facebook page you can follow for pictures and more information regarding the BASE program.
