Meet **MR. HERRERA**

This is Mr Herrera's first year teaching at KCHS. He's been teaching in a leadership role for 23 years, making this his 24th year of teaching. His experience here at KCHS has been very enjoyable, and he enjoys the subjects he teaches. He states, "Mr Boswell and the staff have been very supportive." He became a teacher because he wanted to be a positive influence within the lives of the young adults he works with. His favorite subject to teach is English because he enjoys reading and writing, and wants to help his students develop these skills.
