# Meet Mrs. Yockey

This month, we were able to interview Mrs. Yockey, one of our newest teachers to KCHS. This is her first year teaching at KCHS and she already has positive feedback, she wishes she could stay here all day! Her inspiration to teach originates from her high school sociology and CNA teacher. In fact, teaching has become one of her most loved passions! (Especially when it comes to KCHS.) Before joining the education field, Mrs. Yockey was a nurse for around twelve years.

However, after more than a decade of seeing patients die and her best friend's passing, she decided she wanted to make a change. This change she wanted to make was specifically within the lives of the youth. Mrs. Yockey wants to encourage them to continue to sharpen their minds and explore their options when it comes to their education.
