ENTIRE REGULATION - PUSD SPECIFIC

Work Based Learning

The district's work based learning (WBL) program shall consist of one or more of the following types of unpaid and paid on-the-job experiences: (Education Code 51764; 5 CCR 10071)

1. Exploratory WBL which provides students with a combination of classroom instruction in WBL and unpaid opportunities to observe and sample systematically a variety of conditions of work for the purpose of ascertaining their interest and suitability for the occupation they are exploring

The length of exploratory work experience assignments may vary depending on the aptitude of the student, the occupation being explored, the facilities of the work station, and the job classification. A student may not participate in an exploratory work experience assignment if he/she receives pay for like work at the same work station or similar job outside of the WBL program.

2. General WBL which has as its purpose the application of basic skills of reading, writing, and computation and which enables students to acquire general and specific occupational skills through a combination of supervised paid employment in any occupational field and related classroom instruction in WBL
3. Career technical WBL which reinforces and extends career learning opportunities for students through a combination of related classroom instruction in WBL and supervised paid or unpaid employment in the occupation for which their career technical course in school prepares them

(cf. 6011 - Academic Standards)

(cf. 6143 - Courses of Study)

(cf. 6178 - Career Technical Education)

The Superintendent or designee shall develop and present to the Governing Board for approval a district plan for WBL in accordance with 5 CCR 10070.

Employment opportunities may be provided by any public or private employer in areas within or outside the district, either within California or in a
