Subject: Second Interim Report

The Second Interim Report is the second state mandated step in the process of reviewing and monitoring the District's budget. This report provides a snapshot of the activity from July 1 through January 31. The budget is a living document that will continue to be monitored and revised throughout the year, as assumptions change or actual allocations of funding or expenditures become known.

At this time, the District is reporting the changes that have been incorporated in the budget since the First Interim budget revisions were approved. These revisions will comprise the new board approved operating budget. A summary of the budget revisions follows.

GENERAL FUND

Revenues

Local Control Funding Formula (LCFF) Sources **$ (43,946)**

Estimated Average Daily Apportionment (ADA) is 1,991. CBEDS enrollment is 2,264, 82 less students than prior year. It is anticipated that ADA will be funded at the three prior year average level of 2,143. The District's funding under LCFF allocates revenue at $12,015 per ADA for the base grant, $312 per ADA for Career Technical Education and $3,996 per ADA for 80% of the student population identified as low income, foster, homeless or an English Learner. LCFF funding is slightly reduced as ADA estimates are refined as the P-2 reporting deadline gets closer.

Federal Revenue **$ 27,636**

The Title I and Title V revenue accounts increase based on final allocations provided by CDE. Funding for Special Education increases are based on BCOE projections. Expanded Learning Opportunities Program federal revenue decreases to match projected expenditures. Indian Education revenue decreases to reflect that the entire funding allocation will not be earned as the liaison position has not been filled.

Other State Revenues **$ 340,511**

The 2023-24 Career Tech Incentive Education Grant (CTEIG) is added to this category.

Other Local Revenues **$ 58,867**

Local revenues are increased to include revenue for Round 4 of the K12 Strong Workforce grant to and to match the timing of the expenditures, as well as include receipt of the 21-22 Quarter 3 MAA payment.

Transfers In **$ 0**

Other Sources **$ 0**

Expenditures

Certificated Salaries **$ 731,835**

Certificated salaries are increased by 6.52% for the OSTA bargaining unit members and 8.22% for certificated administrators to reflect tentative agreements. The extra duty stipend schedule also reflects a 6.52% increase. A placeholder for two teacher vacancies are removed from this category as it is anticipated that this position will not be filled until the end of the year.

Classified Salaries **$ (204,375)**

Tentative agreements have been reached with the confidential/supervisory (7.76%) and classified administrator (8.22%) groups. Placeholders for vacant positions are removed, causing the decrease in overall salaries, as it is estimated that these positions will not be filled before the end of the year.

Employee Benefits **$ (153,689)**
Statutory benefits changes result from salary changes mentioned above.

Books and Supplies **$ 214,174**

Expenditures for the Title V and 2023-24 CTEIG grants are added to this major object code group. $109,000 is allocated to the band for uniforms and equipment replacement or repair.

Services and Other Operating Expenditures **$ 584,869**

The increase in this category is due to an adjustment in estimated legal costs, as well as mediated settlement payments. Budgeted expenditures are also added for the 2023-24 CTEIG grant.

Capital Outlay **$ 596,300**

Projects are added for building improvements and equipment as items from the one-time project list are purchased or started. Equipment purchases and projects from the 2023-24 CTEIG grant are also added to this category.

Other Outgo **$ (35,723)**

The adjustment of estimated Special Education bill backs.

Indirect Costs **$ (1,627)**

The recalculation of indirect costs that can be charged to restricted programs.

Transfers Out To Other Funds **$ 0**

Reserves

The unrestricted ending fund balance is estimated at $15,090,656. $1,050 is classified as nonspendable and is attributed to the revolving fund cash balance. $68,644 is set aside for future vehicle replacement. $46,132 has been donated towards an athletic field lighting project. $8,387,364 (17%) of unrestricted funds are set aside in accordance with BP 3100. $6,617,466 remains unassigned. Excess reserves above the state requirement of 3% exist for:

- Protection during declining enrollment. While projections indicate that enrollment will increase in the new future, charter schools continue to compete for district students. It is difficult to implement budget reductions in proportion to the loss in revenue in perfect coordination with the loss of students. Excess reserves allow time to properly plan for budget reductions, and in some cases, wait out the loss of enrollment without making budget adjustments.

- Differences in actual LCFF funding from projections. For funding calculations, enrollment, average daily attendance and unduplicated counts are not finalized until April of each fiscal year. Reserves allow the District to temporarily absorb funding decreases when actuals fall below estimates.

- Repair and maintenance of aging facilities and bus fleet. Reserves allow the District to meet its obligations when a building needs an unplanned repair, technology equipment fails or a bus goes down.

- To keep current with advances in technology and replace aging equipment.

- To address safety concerns.

- To fund current year settlements with the various employee groups.

- Legal matters.

- Volatility in state funding or general economic conditions. In past years, the District has suffered drastic cuts in state funding and has been subjected to unplanned reductions in funding (mid-year cuts or deferrals of program payments). The State also has a history of deferring apportionment payments unexpectedly when it runs out of cash. As reserves are difficult to build during tough times, having a reserve over the state minimum insures that obligations can continue to be met.

- Unplanned needs of special education students. The district must have financial resources available to allow the flexibility to meet the needs for appropriate educational services for this group. As students and/or interventions frequently change, it is difficult to accurately project expenditures each year.

OTHER FUNDS

Adult Education Fund

Other State Revenue is decreased as the program was not awarded a CalWorks grant this year. Salaries and Benefits are adjusted to reflect tentative agreements with the certificated and management employee groups. Capital Outlay is removed as there are no planned expenditures for equipment in the budget year. All other object codes are adjusted by immaterial amounts.

Cafeteria Fund

Food costs are estimated to increase due to inflation. Other object codes are adjusted by immaterial amounts.

Capital Facilities Fund

Developer fees and interest are updated based on collections to date.

Bond Interest and Redemption Fund

Tax collections are updated based on receipts to date.

All Other Funds

No budget revisions are necessary for any of the remaining funds.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
