- Welcome, Introductions, Call the meeting at 3:12. Minutes from previous meeting: Vanessa moved, Omneya second. All approved.
- Damon has a list of parents who are interested. Then we will have a vote.
- Funding Source: Equity multiplier =government will look at our enrollment, and non-stability (students who come and go throughout the year), and percentage of poverty. Next year we will be getting \$732,617. Damon and Takoa have a meeting with the LCAP coordinator for the district to learn about the stipulations on this money. Can be used to hire new staff, concern about where to house new staff on Encina Campus. Not sure about the time frame of the funds or if they expire, etc. Easier to spend than Title 1 but harder to spend than LCFF.
- Meeting with Kristin superintendent and SJTA and to talk about how communication about move to new site is stressing out staff.
- ELAC meeting held; great attendance. Used TalkingPoints, had staff contact specific families, sent fliers to mosques, etc. Highest attendance for russian, lowest for arabic. Presented about CAASPP, iReady, Summer School, new tardy policy, and ELPAC. Last meeting in spring, sports picnic with food and vaccines. Families have pride that more than half of our students are ELL
- SLT - Todd + Carina went to PLC training. Amazing conference. Shifts mindset from what are you teaching to what are students learning? Education professionals are burning out and leaving, our students are changed since covid and we need to change to prevent mass exodus of staff. Conference here for July 17-19 for department chairs and coordinators.
- SPSA - Needs assessment goes out Friday to help us know where we need to focus our funds.

 - Career Fair is ready to go.
- New Business:
